

Inner Child Healing for Twin Flames : Energy Clearing Worksheets and Therapy for Harmonious Union (Workbook): Heal Inner wounds and Clear Energetic ... you and your Twin Flame for a Speedy Union By JASMINE RANA We go into a deep state of meditation (Hypnotherapy) to take a journey to unconsciousness first healing your inner child then to connect with your Twin Flame's higher self before finally bringing the two together to illuminate and heal the inner unconscious dynamic between you and eradicating any blocks between you. I've experienced first hand that inner child wounds can be big blocks on the Twin Flame journey - the child aspect of our consciousness is holding onto a lot of fears and damaging beliefs we're unaware of as an adult. So practice these therapeutic and self healing worksheets and therapies mentioned every day for inner child healing and eradication energy blocks preventing you from uniting with your ultimate love / Twin Flame. Best Wishes! Jasmine Rana (Spiritual Psychologist) Inner Child Healing for Twin Flames : Energy Clearing Worksheets and Therapy for Harmonious Union (Workbook): Heal Inner wounds and Clear Energetic ,
