Whom I know will use the many great ideas. It is for the 99% of us. New ideas of how NOT TO

SPEND MONEY. I liked it so much that I ordered my own. Read Yeager's book before you retire. Even made Medicare easy to understand. A few jokes along the way. More of a belief system. I read it cover to cover on the same day it arrived. The word Cheapskate can seem misleading. The main value of the book was support and encouragement. One must evaluate what is truly a want vs. The best things in life are free
