Her favourite authors as a child were Roald Dahl.

Made remarkable discoveries who fought for women's rights who led powerful armies who believed in their dreams. Stories of 20 Mighty Muslim Heroes aim to: give children diverse role models increase Muslim representation in children's books change misconceptions one hero at a time, Stories of 20 Mighty Muslim Heroes hopes to inspire and empower children with these legendary multicultural biographies, If your child enjoyed Little Leaders Amazing Muslims Who Changed the World and Goodnight stories for Rebel Girls Enid Blyton and Charles Dickens: These authors gave her many heroes to look up to Matilda being her favourite:

Love the fact that this book has well known and lesser known Muslim Heroes from all backgrounds and occupations (art medicine politics education etc), My son really enjoyed it being read to him! There is a picture with every text which makes it visually appealing, Kindle As a teacher this is an excellent book to read to students to learn about: As a mother my son loves looking at the pictures and learning also: Great to have a book with characters children can learn from, Kindle We all know and discuss about our Prophets Sahabas mighty war heroes. This book however puts to light some heroes who have helped shape the history of not only Muslims but also the whole world and yet we do not talk about them as much, This book has helped me recollect the great achievements of Salahuddin Ibn Sina Begum Rokeya among others. So not only is this book great for teaching our children about our history but it is helpful to remind the adults about their ancestors as well: Kindle

Such an awesome and inspiring book! I love that it covers characters from history from both genders, Such an interesting read for my children as well as myself and a great introduction to some incredible leaders from all walks of life. I recommend every parents of young children who want to nurture Islam in them, Kindle Absolutely love this collection of stories each about a wonderful person and their contribution to society. I would say this is a must have on all Muslim bookshelves and for all other curious minds[1]

Changing misconceptions one hero at a time. It includes 10 famous Muslim women and 10 men. Kindle This was a great book. Lots of information. Short chapters full of educational information. Great for kids parents and schools. I truly have not read a book like this before. Kindle If I have a option I give 20 stars.such a amazing work.brief and concise collection of Muslim super heros.I am impressed. Well presented with beautiful illustrations. A must have for every Muslim home. Kindle.
