

Saying Goodbye By Zoe Clark-Coates Knowing that she could relate so much to what I was going through and that she described the exact pain and feelings Zoe! Inbunden J'ai adoré ce livre plein de phrases apaisantes et réconfortantes il y a également beaucoup de conseils pour accepter son deuil.

Zoe: : Böcker Saying Goodbye

This book has brought a lot of comfort to me during a season of life I never wanted to experience, Inbunden I came across this book a few days after loosing my 4th baby, Apart of me wanted so bad to buy it right away and the other part of me was terrified that if I did it would just make things harder for me. I finally got the courage to order this book a few months later and I wish than anything I would have done it sooner, But I believe whole heartedly I purchased this book at the right time. I went through my 5th miscarriage a few weeks after I started reading it, It has had such an impact on my life and made the absolutely most heartbreaking thing a little bit easier to get through. Inbunden I highly recommend this book for anyone experiencing or wanting to learn about baby loss: I was gifted this book after my daughter was born still and I'm so thankful I relieved it: It played an important role in helping me process what I was feeling and that the feelings were normal: This and the Baby Loss Guide are a must read! Thank you for sharing your story.

Saying Goodbye : Clark-Coates for my sweet babies and I cried for the author, It was hard knowing that others have gone through the exact pain I had been through and was currently going through: I felt like a failure as a mom wife and as a woman: Reading saying goodbye made me realize that it's okay for me to grieve for my babies when I need to but it also helped me find the strength to pick myself up: Inbunden This book was an amazing help at some of my hardest moments with our losses, It helped me so much so that I have chosen to purchase for the local hospital to hopefully help other families grieving their sweet babes as well. This book has absolutely been my saving grace. A life line. I will admit I cried reading it. I cried for myself.

I felt less alone. I felt like I had someone to turn to. Thank you for writing this book. It made me feel less alone. It helped me feel less alone in my grief Inbunden.
