

How to Make Tiny Paper Mache Dogs: With Patterns for 27 Different Breeds By Jonni Good I bought it on Kindle but I think I'm going to have to buy the print version as it would be easier to navigate back to the paper mache recipes when you are further through the book. Then the author gives you suggestions for painting your sculpture including an easy way to paint brindled spots how to give an all white dog an interesting coat how to emphasize heavily textured fur with acrylic glazing liquid and,

This is a lovely book very clearly explained delightful pictures. BUT be warned! the models are harder to make than Jonni Good makes it look! This is definitely for people who are already good at craft and I consider myself in that group. Maybe I'll get better with practice! 978-0974106557 Brilliant book. I have made two dogs already and it has kick started a love of making models. I've now branched out to making my own creations (hares birds etc. 978-0974106557 Great book inspirational and helpful patterns to make loads of different breeds of dogs from paper mache: 978-0974106557 I gave this as a gift 978-0974106557 This is such a fun book looking forward to making dogs with it: Clear instructions and book well laid out 978-0974106557 The author makes it easy for you to create a tiny paper mache dog of your own, You only need a few basic tools and some materials that you may already have lying around the house: The only thing you may need to purchase is a few feet of aluminum wire for the armature or use some wire you already have on hand: First choose a pattern from the 27 breeds included in the book: Then build your armature by bending the wires using the pattern for a guide. This makes sure that your finished sculpture will have the right proportions for your breed, Add a few bits of crumpled aluminum foil to round out the forms with the pattern guiding you and then twist and bend your little dog into any position you desire, With these simple steps it's easy to create a lively original sculpture of your own design: When your armature is finished the author shows you how to make the two layers of paper mache as smooth as you want it to be. You can add wrinkles fur happy mouths and other details after the paper mache is dry. If you would like to paint your dog you can use the author's recipe for an inexpensive home made gesso to add interesting textures, The author is a well known paper mache artist who has written several popular books on the subject: She also writes tutorials and creates videos for her blog at UltimatePaperMache: How to Make Tiny Paper Mache Dogs: With Patterns for 27 Different Breeds

. but still it's very fiddley.) If you find this interesting then check out Jonni's blog. She is always willing to answer questions and give advice. [Highly recommended.com](http://Highlyrecommended.com)
