

The Witch of the Forests Guide to Earth Magick: Ground yourself with magick. Connect with the seasons in your life in nature By Lindsay Squire I have The authors other book Natural Magick as well! It's so helpful and has so much information to help with your spiritual journey! The art by Viki Lester is amazing!! It really brings the book together and brings such calming and 0711271720 I pre ordered this book months ago and have been impatiently anticipating its arrival. I was so pleasantly suprised when it had shipped before I expected it too! This book 100% lives up to the hype and is even incredible than her first book (which is also incredible). I'm a Witch.

Gift for my daughters author professional tarot reader spiritual advisor and the face behind the Instagram account The Witch of the Forest an account dedicated to helping those at the beginning of their Witchcraft journey. An ideal and comprehensive introduction to Earth MagickA veritable compendium of magick lore and practices that should be a part of any serious metaphysical studies instructional reference collections and reading lists readers with an interest in the subject. 0711271720 I just wanted to say thank you Lindsay Squire for writing 2 marvelous books Natural Magick Earth Magick are definitely 2of the best books I've read very informational n they left me very well informed n I can't wait for your next book Blessed Be 0711271720

As she also has her first book too! Beautiful and interesting 0711271720 Absolutely love this book. 0711271720 I'm a practitioner of eclectic Witchcraft and have been walking my own spiritual path for nearly 15 years: I've come to find a deep passion for helping Witches find empowerment through nature and the practice of magick: I live in my home county of Yorkshire England with my three very mischievous cats, —Midwest Book Review The Witch of the Forests Guide to Earth Magick: Ground yourself with magick. Connect with the seasons in your life in nature Got for my granddaughter for christmas: 0711271720 Im not a beginner witch but I got this anyway to look at the amazing illustrations! I love it!! I am going to buy its other compainion Natural Magic too. 0711271720 Lindsay Squire put Shadow Work Grounding and other terms that I heard into easy to understand instructions. Sometimes i just like something fun and not too dry. I had fun reading it even as an intermediate practitioners. A good well rounded beginner book. 0711271720 This book is very thorough. It's beautiful colors are magnificent. Accentuated by the beautiful glossy finish. I Love it. There's a lot of information packed into this book. This would be Great as a gift to someone you Love. 16 and older
