

National Geographic Traveler: Istanbul and Western Turkey By Tristan Rutherford **Travel national geographic books** The Istanbul section did not provide any information other guidebooks hadn't already told us and the section on Western Turkey was often misleading and took us to places we would normally avoid. **EBook National Geographic travelers agent** Now we know that when National Geographic says National Geographic Traveler: Istanbul and Western Turkey This book is beautiful and up to date! It does not replace a Lonely Planet or Fodors travel guide with all the information that they have:
