. We all face messes made of information and people. Almost pointless. Builds confidence. Reassuring. English Causes of confusing information: 1. Too much information; 2. Not enough information; 3. Not the right information; 4. A combination of the previous causes. There were a few helpful tools and a glossary. It's theoretical than practical. It's easy to read and follow and I enjoyed her examples. Thirty eight locations have been added for 2015. Everything is getting complex. Papers cables a half eaten pop tart you name it. Now above this table is a window sill. 2. Understand some approaches to solving it. It will give you examples of various activities tools (i.e
