. Picturesque Texas small town. Football games on Friday nights. Small family owned businesses lining the streets. Greeting your neighbor as you walk into the town square. And then the rockers come to town. Welcome to Beaumont TX folks. Maybe that's the secret. Pero no siempre ha sido así. Pero el día de la boda de Liam cambian las cosas. Bonita tierna romántica con su justo toque de drama. I really really like 'Finding my forever'. They got married in the blink of an eye. It was Damien. I loved when he sang to little one I wanted to cry. Standing ovation to the story and its author
