Coach the Person Not the Problem: A Simple Guide to Coaching for Transformation (English Edition)
eBook : Hall Chad This ebook is very short but filled with pearls of knowledge to assist a coach in
identifying and addressing situations that may require client transformation. **Coach the Person
Not the problemdiagnose** Coach the Person Not the Problem: A Simple Guide to Coaching for
Transformation (English Edition) eBook : Hall Chad This quick read delivers a jam packed focus
framework for coaches who are open to growing their ability to invite clients into transformation by
creating space for the client to experience internal shifts through their examination of the problem.
Coach the Person Not the problemhero Although this book isn't recommended for beginner
coaches I think it should be because any person getting behind the wheel of the coaching bus should
be equipped with the ability to read the road signs while helping to navigate their client to their
intended destination and this book provides them with the applicable framework to do just that,
