

The Big Book of Dad Jokes: Terribly Good Personalized Dad Joke Book By Laugh\_Aloud\_Crew 88 shipping The Big Book of Dad Jokes: Terribly Good Personalized Dad Joke Book

My husband had about a third of these Bad Dad Jokes already in his routine from when our son was young. No one is safe and I was warned about his jokes before I married him! It's Paperback My fiance has been on a dad joke phase for a good year now and when I saw this I just knew it would be the perfect little father's day gift from our daughter, The one liners are so corny and somewhat stupid but not in a bad way: Paperback Not really Paperback Great for Dads with tweens Paperback. [1]

\$9. My husband still uses those but now he's has ammunition. He's an outside sales rep. It was a huge hit for the whole family
