Ok knight was my fav in the other series and I'm sooooo glad we get his story first! It's amazing getting to know him in a different setting and getting behind that armour!! Amazing job!! Kindle Edition Hardcover Paperback I enjoyed the story very much I love darker romances but I don't know what to rate this book so I went with 2 stars. **Description publication instagram** I was incredibly uncomfortable with the way Knight treated Greer even knowing this was a bully romance and not my first either and I never had that ick Kindle Edition Hardcover Paperback I really like the dynamic between the characters but the writing was very awkward. **Description kindle** What terrifies me is how badly I want to see what might be beyond all that coal black armorIts possible that to some small measure Im tempted to give in to the only devil Ive ever known.
