I really love historical novels and this was a really good one! Thank you very much: Fran in Brookfield Illinois TANIA CROSSE I had to wait till I finished all nine books: I read all of them and could not stop until I read them all. There was a little sadness some exciting parts and naturally beautiful and loving times. I would recommend all these books especially ladies but TANIA CROSSE I enjoyed this story and how well it was written: TANIA CROSSE I enjoyed all the well developed characters and the wonderful descriptions of the moon's wild beauty.
