. He himself a Catholic said I would rather stand with God against man than with man against God. Virtually unknown even among the Portuguese until fairly recently he was selected in 2007 as the third Greatest Portuguese of all time, Three of his 14 children Carlos (1922-1999) Sebastian (1923-2006) and John Paul Abranches (1932-2009) lived and died in the U. José Alain Fralon a journalist for Le Monde in Paris describes Dr, Sousa Mendes' life especially from the 1930's in Belgium and France to his death in Lisbon in 1954. An excellent and quick read that encourages further reading on this war hero: He is not the only person to have defied his country and thwarted Nazi intentions but his heroism brought him and his family terrible damage: Under the dictator Salazar Mendes Souza's tragedy went beyond the Second World War and continued deep into the second half of the 20th Century: Having saved the lives of 30,000 individuals including 10,000 Jews Israel names him a Righteous Man among the Nations and Portugal and the United States honored him in many ways. The book is a praiseworthy addition to the honors which the Portuguese consul in Bordeaux received, A great many sources were tapped among them previous writings by others interviews and official government documents: I bought this book for him for his 78th birthday and he told me it was an enjoyable read.
