

Origami Paper 200 Sheets Kimono Patterns Publishing, Tuttle By By UNKNOWN My only complaint is the colours are a lot duller than advertised and some have a washed out look to them as i was so looking forward to the brightness of colours as this is what got me to buy them. The pack contains 12 patterns unique to this pack.

This paper is lovely for origami projects and all of the papers are printed in coordinating colors on the reverse to provide aesthetically pleasing origami models. Origami Paper 200 Sheets Kimono Patterns Publishing Tuttle Ouqis 0804850801 Un peu déçue les papiers sont petits en fait 0804850801 On adore ces petites feuilles qui remplissent la maison d'origami:

Scrapbooks and crafts of nay type 0804850801 Used this to make a revealed flower, Nice paper can be tricky to see folds etc but worth it. Going to try the kaleidoscope pattern from same makers next time and hope they are as bright they look: 0804850801 The prints are a bit darker than I would've wanted but paper folds well and my niece has loved using them for her origami projects: 0804850801 Great for all paper crafts 0804850801 This pack contains 200 high quality 6 x 6 (15cm) origami sheets printed with colorful and attractive Kimono Patterns. These kimono patterns were chosen to enhance the creative work of origami artists and paper crafters. A booklet in the pack provides step by step instructions for 6 origami projects, 0804850801 These origami sheets are really pretty and perfect for folding origami Japanese dolls. The solid colour on the back indeed provides valuable contrast: The sheets are thin which are perfect for easy folding but not so thin that they tear easily. However my slight disappointment is that they are completely smooth. True Japanese origami paper tends to have some texture to it particularly the kimono patterned ones, 0804850801 produit parfait pliage facile et en plus jolis dessins 0804850801

. That said these are very good value for money
