

Bizarre Girls: Bk. 2 By Kate Hodges 2BIZARRE誌のカバーガールを集めた写真集同誌のイントロダクションによるとそのコンセプトは“Ultra Vixens”（スーパー雌ギツネ？）単なるセクシーさのみでなくプラスアルファを兼ね備えた女性という意味のようだ週刊誌ぐらいのサイズ印刷はまあまあ内容はいわゆるフェティシズムものすなわち刺青、ピアス、SMボンテージの方々の写真が多い表紙の白黒姉さんを見るとクールでスタイリッシュな印象だが実際はもっと華やかかつごった煮一貫した思想などは読み取れずパワー不足は否めないが同誌のゴチャ混ぜ感は十分に味わえる特筆すべきはわずか数ページながら、血糊を使ったエログログラビアがある点こういった写真は少ないので少々楽しめた（期待は禁物） Kate Hodges they are not bizzare at all Kate Hodges Tolle Girls aus dem Bizarre Magazine.

Bazaar girls yarn

Eigentlich die Besten. **Weird girl ink** Sehr erotische Fotografien die mir als Rockabilly Hot Rod und Custom Fan besonders gefallen da die Girls teils eine Menge Tinte unter der Haut tragen und alle einen besonderen Stil verkörpern. **Weird girl in breakfast club KAUFEN!!!** Kate Hodges this is of a magazine than a book but the girls look great [especially gorilla girl] and its all very alt punk goth so perfect to fill that suicide girl hole. **Weird girl esthetic** good quality paper great pics of alternative beautiful girls including: April Flores Sabina Kelley Bianca Beauchamp Dita Von T Apnea Nina Kate Viktoria Vikki Blows Aria Giovanni Sasha Grey and amateur snaps with themes such as pierced girls tattooed girls fetish girls. **Weird girl esthetic** For me that's minus a star and the selection could have included some hotter images Bizarre pushed the envelope in the early days and this seems a little tame but then it's acceptable as a coffee table item and nonetheless it's good value and still entertaining. **Bazaar girls yarn** Da die Hefte bei uns schwer erhältlich sind und dieses Magazin Büchlein ein Best of darstellt (wie Band eins) ist es die beste Alternative die zu finden ist. **Unusual korean girl names** I wouldnt bother actually reading it though [the most exciting place i have had sex was in a car park !] Even the sun makes up better smut than that. **Weirdest girl ever** Not a photography book really in that there are headers on the pages and sometimes text across the pics too as befits the magazine style[1]
