

The Furniture Bible: Everything You Need to Know to Identify, Restore Care for Furniture By
Christophe Pourny

Book The Furniture bible study

Lovely book Read through and I've referred back to lots of things Interesting and very informative I'm looking to get in some older second hand furniture and this has inspired me to do it up Thank you Speculative fiction My wife has been restoring furniture on and off for years She loves this book and is reading it as I type Speculative fiction Great book great pictures Really useful reference guide for restorers and upholsterers Speculative fiction I bought this as a present for my step daughter who has just taken a course in furniture restoration The first one I received was scuffed at the edges but no problem it was replaced in record time The book is packed full of information with pictures too which is brilliant This is so good I told my sister about it and she bought one for her granddaughter Speculative fiction Me gustó mucho el libro aparte ue está muy resistente y de buen material Aprendes muchas cosas ue normalmente tardarías en aprender Speculative fiction Just what I needed for a History of Furniture project for an upholstery degree Great tips on French polishinggildingveneer repair Will certainly be useful in my new business Speculative fiction Christophe Pourny learned the art of furniture restoration in his fathers atelier in the South of France In this his first book he teaches readers everything they need to know about the provenance and history of furniture as well as how to restore update and care for their furniturefrom antiques to midcentury pieces family heirlooms or funky flea market finds The heart of the book is an overview of Pournys favorite techniuesceruse vernis anglaisand water gilding among many otherswith full color step by step photographs to ensure that readers can easily replicate each refinishing technique at home Pourny brings these techniues to life with a chapter devoted to real world refinishing projects from a veneered table to an ebonized desk a gilt frame to a painted northern European hutch Rounding out this comprehensive guide is care and maintenance information including how to properly clean leather polish hardware fix a broken leg and replace felt pads as well as recipes to make your own wax shellac varnish stain and Christophe Pourny learned the art of furniture restoration in his father's atelier in the South of France. **The Furniture biblezine** In this.

The Furniture Bible kindle books

His first book he teaches readers everything they need to know about the provenance and history of furniture as well as how to restore update and care for their furniture—from antiques to midcentury pieces family heirlooms or funky flea-market finds. **The Furniture bibleuniverse org** The heart of the book is an overview of Pourny's favorite techniques—ceruse vernis anglaisand water gilding among many others—with full-color step-by-step photographs to ensure that readers can easily replicate each refinishing technique at home. **The Furniture bibleresources** Pourny brings these techniques to life with a chapter devoted to real-world refinishing projects from a veneered table to an ebonized desk a gilt frame to a painted northern European hutch. **Furniture in the bible** Rounding out this comprehensive guide is care and maintenance information including how to
