The gut health protocol pdf

John I'm taking the time to write this review because I honestly feel indebted to John as he's been so helpful to my recovery! I bought John's book over a year ago and was waiting to do a review until I saw how my recovery went. **The gut health protocol pdf download** I went through ups and downs emotionally bc bacteria control everything about us as we are only 20% human cell and 80% bacteria! I've been doing this protocol for over a year now and started with the biphasic diet which is also very important to start your healing process. **Does gut health help immune system** I'm happy to say that I have my SIBO under control thanks to the many supplements including John's probiotic called Phage Complete which has some wonderful strains of beneficial bacteria and SBO's and I'm now working on finally getting rid of candida! My memory is so much better and I don't feel like my Brains are mush. **The gut health protocol reddit** Don't get me wrong I know I still have a long road ahead of me with getting rid of candida as that's a hell of a beast to tackle and I think I have had it since my teens bc I was a sugar junky. **The gut health protocol aarp** I have now completely cut sugar out which I was only doing 10 15 grams a day on the SIBO diet and drank the occasional glass of red which is no longer as that really feeds it. **The gut health protocol pdf** I've made a choice that I don't want stiff joints and body pain any and have noticed since cutting the little bit of sugar I was consuming.
