This is an excellent overview of Dali's life and work. **Book The Life and Masterworks of Salvador dali's paintings** Eric Shanes Amazing title so much detail the text is great big beautiful pictures this is a great title on Dali a must have if you love this artist Eric Shanes Lovers of Dali should get this book Eric Shanes.

: **The Life and Masterworks of Salvador dalimonte rueb** The biography is complete and concise and the illustrations are in nice detail and can be expanded quite a bit. **The Life and Masterworks of Salvador dalix usa** The author shares my own opinions on Dali's work so that's a plus as well (for me), **The Life and Masterworks of Salvador dalix usa** You get everything you'd want from Dali's works in a very nice package. **Book The Life and Masterworks of Salvador dali's paintings** I would recommend this for a Fire Tablet for the color I don't think it would work as well in greyscale
