The book had great visuals and explanations. **Dental radiography bookf flashcards** Dental RadiographyE-Book: Principles and Techniques The book is good, **Dental radiography booka audit** 00 for a new book and received one with highlighter throughout and bent corners. **Dental radiography course cost** I did not complain at the time because I didn't have time to receive another before the start of my semester so I just kept it: **Importance of dental radiographs** Dental RadiographyE-Book: Principles and Techniques Set yourself up for success with this must have oral radiography text. **Dental RadiographyE-Book pdf editor** Dental Radiography: Principles and Techniques gives you a comprehensive foundation for the safe effective use of radiation in the modern dental office. Dental RadiographyE-Book: Principles and Techniques Great book. Very informative. Fast shipping. Thank You. I bought it used and it was in pretty good condition. It was overall a good and useful book. Purchase it on the JBlarning website. They disclose everything before you purchase the book. NOT WORTH THE TIME OR MONEY dealing with them. However I am upset that I paid \$65. Make sure you look out for that when purchasing though. Plus digital imaging.
