

Jane Austen Embroidery: Regency Patterns Reimagined for Modern Stitchers By Jennie Batchelor

Young-adult-fantasy Jane Austen embroidery library

Jane Austen was as skillful with a needle as she was with a pen and this unique book showcases rare and beautiful embroidery patterns from her era repurposed into 15 modern sewing projects. Derived from *Lady's Magazine* 1770-1832, a popular monthly periodical of fashion fiction and gossip, the projects consist of embroidered clothes, accessories, and housewares. Designs include an evening bag, a muslin shawl, an apron, a floral napkin set, and tablecloth, and other pretty and practical items with timeless appeal. These authentic patterns, many of which have not been reprinted in over 200 years, are enlivened by vivid glimpses into the world of Regency women and their domestic lives. Fascinating historical features, quotes from Austen's letters and novels, enchanting drawings, clear instructions, and inspirational project photography trace the patterns' origins and illustrate their imaginative restoration for modern use. A must-have for every Jane Austen fan, this book is suitable for needleworkers at every level of experience. Jane Austen was as skillful with a needle as she was with a pen.

Jane Austen embroidery

This book is suitable for needleworkers at every level of experience. **Kindle Jane Austen embroidery online** Jane Austen Embroidery: Regency Patterns Reimagined for Modern Stitchers is an extraordinarily well-written and illustrated book, a must for Janeites, embroiderers, and stitchers. Love it! Jane Austen Embroidery: Regency Patterns Reimagined for Modern Stitchers. This is a very nice book, but if you thought it was all patterns from Jane Austen's time, you may be disappointed. Jane Austen Embroidery: Regency Patterns Reimagined for Modern Stitchers. This is a very nice book. It contains quite a bit of the period's history and has beautiful pictures. The directions for the projects are more than adequate. The reason it only gets four stars is that you have to have a copy machine or another method to size up the diagrams. They should have charged a little and included a sheet of full-sized templates. Jane Austen Embroidery: Regency Patterns Reimagined for Modern Stitchers. It is a small book, but it makes me wish for more details. Jane Austen Embroidery: Regency Patterns Reimagined for Modern Stitchers. This amazing book really gives dimension to Jane Austen as a person, in addition to highlighting one of the most popular publications of the 18th and 19th centuries. Not to mention, the embroidery designs are gorgeous and exciting to try. Highly recommend Jane Austen Embroidery: Regency Patterns Reimagined for Modern Stitchers.

I have enjoyed reading this book for the historical value and the interesting tidbits it offers. It's a glimpse of the past and an embellishment for today. Jane Austen Embroidery: Regency Patterns Reimagined for Modern Stitchers.
