

Walt Disney: An American Original (Disney Editions Deluxe) By Bob Thomas Fascinating! Walt Disney: An American Original (Disney Editions Deluxe) Amazing read great for all Disney fans! Show the man behind the magic! Walt Disney: An American Original (Disney Editions Deluxe) My 14 year old is reading.

Walt Disney is an American hero the creator of Mickey Mouse and a man who changed the face of American culture. After years of research with the full cooperation of the Disney family and access to private papers and letters Bob Thomas produced the definitive biography of the man behind the legend the unschooled cartoonist from Kansas City who went bankrupt on his first movie venture but became the genius who produced unmatched works of animation. I might be a little biased because I have always been inspired that a poor farm boy from Missouri could change the world by working hard taking risks and staying true to himself. Thomas does a good job of highlighting the things that Walt contributed to film and other projects and if it's too positive then that's a good problem to have! It's written in an easy style and is very suitable for anyone from late grammar school and up! Walt Disney: An American Original (Disney Editions Deluxe) Bob Thomas's Disney bio like all of his biographical works paints a believable picture of this most remarkable man: I can't wait to dive in on this book and learn the life of Walt Disney and learn some new Disney facts I don't know, Walt Disney: An American Original (Disney Editions Deluxe)

, easy to read and very interesting Walt Disney was an extraordinary man endowed with an extraordinary talent and an extraordinary love for human kind: Walt Disney: An American Original (Disney Editions Deluxe) An absolutely great book. He cared so much about people and their need to be able to get away from the stress of daily life: Walt Disney: An American Original (Disney Editions Deluxe) What an incredible book! Really great insight into one of America's heroes: I don't think I've ever read a biography before they're not my style but I couldn't wait to keep reading this every time I had to put it down, Complete with a rare collection of photographs Bob Thomas biography is a fascinating and inspirational work that captures the spirit of Walt Disney: Walt Disney: An American Original (Disney Editions Deluxe) I thought this book was an excellent biography of Walt with the right balance between background information and pacing: Happy to read a take on Walt that is in line with historical reality than some of the modern and cynical historical revisionism put out there. I'd highly recommend this to anyone wanting to learn about Disney's origins, Walt Disney: An American Original (Disney Editions Deluxe) I've always loved this book since I first read it in the early 80s: I know some people don't care for it as it tends to gloss over some of the man's flaws but I think it's great, I don't read something like this to find out dirt about the person; that's not why someone like Walt will be remembered: I grew up with Walt Disney from the first Disneyland on the Black and White TV to the Mickey Mouse Club and a visit to Disneyland the first year of its opening: For my generation and generations to follow Walt Disney was an adventurous friend who took us into a world of imagination that will be forever etched in our memories. And Bob Thomas captures it all without trying to dig up dark secrets like those conjured up by unethical sensationalists. Thomas also weaves Roy Disney's into the story bringing to light the interdependence of the brothers, It's a book I didn't want to end but when it did I easily concluded This was time well spent. Walt Disney: An American Original (Disney Editions Deluxe) My husband isn't much for reading but I got this for

him and he has actually taken interest, This book seems better sequenced than others so if you have a Disney fan I do recommend it, Walt Disney: An American Original (Disney Editions Deluxe) I'm a huge Disney lover!! I've always loved the Walt Disney Company the theme parks movies and merchandise. However you ask me any question about the man himself Walt Disney I'll draw a blank: I know him of the creator of the things I love and his influence in the things I love. But I don't know the story before the mouse or Magic Kingdom or the journey he had to take to get where he wanted to be and dreamt of. The book is nicely thick and the cover is absolutely stunning and he loves it! great read! Walt Disney: An American Original (Disney Editions Deluxe).

They used a great photo of him for the cover. I'm thinking of buying another copy for display only lol. The writing style is a very easy read. You get an excellent look at his life. All the ups and the downs. You get to see what he had to overcome. You also get good insight into how he thought. He never stopped thinking and planning and looking ahead. There will never be another Walt Disney. I highly recommend reading Walt Disney: An American Original. Anything Disney related I'm about. You ask me about the movies characters I got you. I admire and look up to Walt Disney the man. His hand in the Disney side of Walt Disney lol
