

Spirit Babies: How to Communicate with the Child You're Meant to Have By Walter Makichen Of course I can't say for sure that this is the reason why as I also was doing a few other things but it certainly didn't hurt! I highly recommend this book to all my friends when they decide to start trying for a baby. He also provides some amazing meditations to do to connect to your spirit baby depending on what stage you're at whether trying to get pregnant already pregnant trying to connect to a miscarriage baby etc. I was completely enthralled in this book and found it hard to put down! The author tells many stories of communicating with spirit babies through his clients and although the situations may not connect with you personally they're still amazing to read! He also gives different chants to say to help you connect with your spirit baby and allow yourself to become open and accepting of having a baby. I would recommend this to anyone even if you don't want to do the chants or feel it may be silly there's still a lot of good insights given such as issues with conceiving. For example if you have your heart set on having a girl yet part of your spirit baby's destiny in this world involves being a boy as someone who is expecting and has lost pregnancies before it was one I wanted to approach with an open mind. Definitely opened up my views a lot! 978-0385338127 What a brilliant book what an amazing man what a loss to the world with his passing the content of the book well it's changed my perspective on several things and brought me the first real emotional comfort after losing my youngest daughter 3 years ago and suffering multiple late miscarriages in my 2nd trimester. As Walter states as humans we place too much importance on the loss of body and not enough in the spirit of the loved ones we have lost it will possibly change your perspective on death too beautifully written easy to read I would have happily enjoyed it at twice its length with case studies it resonated on so many levels I read it four times in two days 978-0385338127

Am I Meant to Become a Parent? Why Can't I Conceive? What Is My Unborn Child Trying to Tell Me? In this reassuring, supportive, and accessible book, leading clairvoyant and medium Walter Makichen offers guidance to prospective parents eager to create a warm, nurturing environment for their soon-to-be conceived or born children. Applying the wisdom and insights he has gained through twenty years of communicating with these spirit babies, Makichen helps you resolve issues about starting a family, actively participate in the psychic process of creating a child, and move past your worries and fears about becoming parents. From the seven essential chakras that link our body, mind, and spirit to why pregnant women are superpsychic, you'll discover:

- * How to create the energy that nurtures spirit babies
- * How to understand how past lives and chakras relate to your unborn child
- * The conception contract: what it is and what it means for you and your child
- * How karmic pairings affect conception and pregnancy
- * Why miscarriages occur and what they can signify

 Plus, spirit babies and guardian angels, spirit babies and adoptions, spirit babies and dreams, and much more. Featuring inspirational examples of couples who are now happy parents, as well as breath exercises and healing meditations at the end of each chapter, *Spirit Babies* tells you everything you need to know to become the parent you were meant to be.

The spirit baby may be reluctant to leave the spirit world because they think you may not be accepting of him: 978-0385338127 This book came to me at a time when I was beginning to gain

deeper understanding about the spiritual implications of the conception and birth process: It has provided deep comfort through a time of profound grief and affirmation to trust a mother's intuition. 978-0385338127 THIS BOOK IS SO GREAT! I read it prior to our trying to conceive and it helped to prepare and understand conception and pregnancy on a spiritual level, I found this book extremely healing after we unfortunately experienced a miscarriage: A wonderful read for both my husband and I! 978-0385338127 I recommend this book especially to women who are having a hard time conceiving or have had abortion(s) and miscarriages. It gave me much insight as to why things happen when the medical field is at a loss for reasons, 978-0385338127 This book is a must read for everyone on a spiritual journey even those who don't wish to have children. It helps you understand your own soul contracts and connect with yourself on a deep level before connecting to your spirit babies: The meditations in this book are powerful and assisted me greatly, 978-0385338127 This was an entirely new topic for me but.

I got pregnant the very first month after reading this book after a year of trying: I actually had a very quick vision of the baby something I had never experienced before, I saw him in a flash he was wearing a blue onesie and looked so much like me as a baby: Either way I think this book would be of great comfort to anyone who wishes to become a parent. 978-0385338127 This book resonated with me on such a deep level: If you have struggled with difficult emotions related to miscarriage abortion infertility still birth adoption or pregnancy; I cannot recommend this book enough, If you are not spiritually inclined it may not be for you, But if you are you will experience a great sense of healing during and after. So grateful ☐ 978-0385338127 Wow what a book! The author provides some beautiful stories of parents connecting with their spirit baby: 978-0385338127 I bought this book because my husband and I are planning to start a family soon and I thought it sounded interesting. I'm not really religious and believe in the spiritual aspect of things and this book stays true to that concept, The stories within the book definitely resonated in ways other beliefs around babies/souls/pregnancy/etc have not: There were a handful of things that I raised an eyebrow at but I don't go into any book expecting to agree or believe everything in it 100%, most importantly it has given me true hope in what nearly every faith teaches you, Love abounds we are all loved and as a mother you have genuinely not failed in your duty to protect nourish and grow your baby, Spirit Babies: How to Communicate with the Child You're Meant to Have.

.and the voices of spirit babies. It was an amazing tool for understanding and hope. Every day I did the exercises the chants and visualizations. Later that month I was preg. Honestly it feels like you know Walter after reading. I couldn't put the book down such a great read
