

Henri Cartier-Bresson/Scrapbook By Foreword by Martine Franck

Il libro mi è stato consegnato con le scritte color oro presenti in copertina parzialmente scrostate. 978-0500543337 Definitely a must have book full of interesting informations to better understand the first photo years of HCB until 1946 before the creation of the Magnum Agency: 978-0500543337 Very interesting book because it shows the alternative shots out of which the brilliant HCB chose The one: Certainly a must have complementary companion for those who want to go beyond the decisive moment. 978-0500543337 che posso dire semplicemente fantastico sono parziale ma amo queste foto la bellezza della semplicità 978-0500543337 \$22. Per resto ok. 978-0500543337 great production job worthy of HCB. Well printed.47 shipping Temporarily out of stock. Henri Cartier-Bresson/Scrapbook.
