. Ultimate Guide to Facebook Advertising : Marshall Perry Meloche Thomas Regnerus Bob Wasn't as  
step by step as I thought, Ultimate Guide to Facebook Advertising : Marshall Perry Meloche Thomas  
Regnerus Bob I love this book!!!its the first time I have ever done an review: but it needs doing! Bob  
is as we would say in the UK an absolute LEDGE (legend!), I know this book took around 18 months  
to write but thank you so much fellas for putting the time in. The book successfully caters to both  
novice advertisers brand new to the FB interface and provides advanced tips and optimisation  
strategies for experienced advertisers, My experience is somewhere in the middle and I found the  
book extremely valuable, The book demystifies the Facebook auction mechanics and bidding options  
(there are a lot!). I think David Nadler's chapter on 'choosing the best Facebook funnel' is worth the  
price of the book alone, Basically don't ramp up your Facebook spend until you've read this book!  
Also a great overview for business owners who want a high level understanding before hiring an  
agency: Ultimate Guide to Facebook Advertising : Marshall Perry Meloche Thomas Regnerus videos

FacebookFacebook makes it easy for businesses like yours to share photos videos and posts to reach

well written by genuine experts. Well done. I am sure Bob wold not mind the analogy.it's a slam  
dunk
