Birthday present for our 12 year old granddaughter: 0008508011 Great reviews on NPR for this series BIG LET DOWN! I felt like I was 12 years old again with severe ADD while reading this, Characters jump in form nowhere to save the day/surprise attack. I actually wrote a list of good evil characters so I could know who was saying what to whom at any given time. Legend has it these lost children are sent to the School for Good and Evil the fabled institution where they become fairytale heroes or villains: With the forces of Good in deathly peril Agatha and Sophie must work together to restore balance. The stakes are high: success brings eternal adoration and failure means obscurity forever, A CRYSTAL OF TIME A traitor has seized Camelots throne sentencing Tedros the true king to death, Tedros queen Agatha narrowly escapes but their friend Sophie is trapped: She is forced to play a dangerous game as her wedding to the false king fast approaches and all the while her friends lives hang in the balance, The fairy tale of Sophie and Agatha comes to a dramatic conclusion in this sixth and final book of Soman Chainanis bestselling fantasy series: She loved it and said that it's the best series that she ever read. 0008508011 Sometime I run into a problem with my advanced reader grade 5, Books designed for her age don't provide a challenge because she reads above level, But it's difficult at times to find challenging books that don't get into material too mature for her age: This set both challenges her and the material is acceptable to me, I could not believe that they finished each book for a day to a week, Even my daughter who doesn't like to read read the whole series, I recommend the whole series if your child loves fantasy with a twist, 0008508011 My daughter can not put these books down she loves them. She is 12 and reads a lot but these have been her favorite:

It is fast shipping and good quality and my daughter loves them. I give 4 star rating instead of 5 due to paper cover not hard cover, 50!! 0008508011 Very nice set arrived quickly and in great condition[1]

I can accept that. She is already well into her first book. Really enjoying. Too many characters/names with virtually NO character development. ONE TRUE KING Beyond Good and Evil. Beyond Ever Afters. Win win. 0008508011 The School for Good and Evil are wonderful books. My children loved the books and couldn't put them down. 0008508011 I bought this book set for my daughter. 0008508011.
