

Marvel Fearless and Fantastic! Female Super Heroes Save the World By Sam Maggs **Marvel Fearless and Fantastic! Female Super Heroes Save the world**hgh Marvel Fearless and Fantastic! Female Super Heroes Save the World This is a wonderfully gender positive book but not in an over the top way that so many 'for girls' stuff is at the moment. **Marvel Fearless and Fantastic! Female Super Heroes Save the world**jonrna One of my daughters (I bought it as a shared gift for all of them) read it from cover to cover straight after finishing opening her parents and before playing with anything else. **Marvel Fearless and Fantastic! Female Super Heroes Save the world**gate How did Captain Marvel gain superhuman powers? When was Shuri crowned queen of Wakanda? From Gamora to Wasp this beautiful illustrated book celebrates diverse female Super Heroes who use their strength intelligence and courage to save the world. **Book Marvel Fearless and Fantastic! Female Super Heroes Save the world** Illustrated with stunning comic book artwork and featuring four chapters based on personal qualities Determined Daring Compassionate and Curious this book for girls and women will create new fans of comics and inspire the comic book creators of the future. **Marvel Fearless and Fantastic! Female Super Heroes Save the world**le A great piece for my bookcase! Marvel Fearless and Fantastic! Female Super Heroes Save the World I could actually get emotional over what an impact this book has had in both myself and my daughter. **Marvel Fearless and Fantastic! Female Super Heroes Save the world**ing I loved comic characters (both reading and cartoons/films) from a young age but was told by peers that girls were not allowed to like that stuff it was for boys and that the best characters were always boys and girls just get 'fridged' for the heros development. **PDF Marvel Fearless and Fantastic! Female Super Heroes Save the world's** Fast forward a couple of decades and I'm a fan of the Marvel Cinematic universe but disappointed in how secondary the female representation has been up to Captain Marvel especially since my young daughter loves these films too and is hugely in awe of Black Widow Shuri and Scarlet Witch but I had hope when I saw this book. **Marvel Fearless and Fantastic! Female Super Heroes Save the world**agent direct My daughter pored over this book in awe squealing when she would find a hero she recognised and calling for my attention when she found one she couldn't have imagined from her experience of the films such as a female Thor a teen BAME IronHeart and her favourite find Squirrel Girl! Looking through this book myself I was delighted moved and empowered to see such a range and scope of female awesomeness some I was aware of others I was not and such a beautiful representation of femininity of so many colours cultures shapes ages religion sexuality and sizes celebrated for being amazing young women alongside young tweens older women teenagers even mothers and adoptive mothers. **PDF Marvel Fearless and Fantastic! Female Super Heroes Save the world cup** Further their greatness is not simply defined by their superpowers indeed several have none but by the content of their character determined compassionate curious and daring truly both a mirror and a window of experience is there for most if not all young girls and women who would peruse this book which makes it SO important and SO empowering for all girls and not so young girls too:
