

Miraculous: Origenes. By Thomas Astruc **Miraculous medal** Thomas Astruc Me encanta el diseño de la portada muy bonito por dentro también no se arrepentirán por tenerlo el contenido es el mismo que en la serie muy feliz por tenerlo conmigo Thomas Astruc My ds loves the book Thomas Astruc Fue un regalo no sé si le gusto Thomas Astruc Igual que la serie Thomas Astruc.

. : Astruc Thomas Quentin Thibaudeau Sebastien Black Cheryl: : Libros Miraculous: Origenes.

### **Miraculous world paris**

My daughter loves it good quality ☐ Thomas Astruc We are big fans of Miraculous Ladybug so we love these comics. **Miraculous au japon** They are very nicely drawn and the language easy to read and enjoy even for primary school kids: **Miraculous ladybug book** Thomas Astruc interessante e divertente Thomas Astruc Because the comic pictures were somewhat like seeing one of the Miraculous cartoons she loved it, **Miraculous book** I think it really helped with her reading skills because she is so in love with the Miraculous characters she was willing to try and sound out the harder words[1]

Miraculous: Origenes. Highly recommend
