To end with The Blood of Olympus. They have sacrificed too much already. Rick Riordan now writes full time. He lives in Boston with his wife and two sons. ALL THE FEELS!! ☐So let's start with darling Nico. My girls! Annabeth piper hazel and Reyna. Even Thalia and Hylla. So awesome and badass and sometimes destructive. My favourite haha. And Frank and Leo (☐☐☐) made up for it. I want a Leo in my life. Just excellent. Up until now we knew very little about her. She has quickly become one of my favorites. K. Rowling and J.R.R. Tolkein. There was plenty of action. Gaea was way too easy to defeat. There was no cost of war. Their deaths had meaning. I cannot lie. I mean what's not to love. Mwahahahah. 978-0141339245 I read this book and thought WHOA. War is coming. Reyna has to confront her past and Nico his. Perhaps the answer to their troubles lie in each other. I wasn't let down. I finished this book thinking WOW. A thoroughly cracking read. I loved it so much I read it twice through. Wonderful. Both groups face danger each event worse than the one before. putting it down. 978-0141339245 Wow just wow. A very good read for fans of The Greek/Roman Gods. 978-0141339245.
