

Minecraft: Epic Bases By Mojang Ab The 3 star rating is because I thought it would be a step by step book and the listing was so unclear that I ended up getting it only to be disappointed the minute I got it. English I Love it in minecraft we built a theme Park using the bases in this book must read and try to build the bases!!! English My 9 year old loves this book. English This is a large hardback book measuring 25 x 30cm.

My ten year old son loves it and is planning to build something out of the book but he also said the book itself is useful purely for the tips in there. English The sample on mojang books are horrible all you see it the little some copyright pages and the table of contents English I liked that it told me how to build the bases instead of just showing the finished projectI would recommend this book to anyone who likes billing big in MinecraftAnyway bye English This was a big hit with my nephew. English

Discover new and exciting Minecraft base builds with construction tips blueprint spreads and fun locationswritten in official partnership with the experts at game creator Mojang. Are you an expert builder?Looking for inspiration for your next epic build?Then the search is over!Visit the legendary bases of The Twelve a guild of expert builders who are ready to showcase their most stunning creations including flying airships and underwater lairs. That being said for what it is its very nice and my boys like looking at the pictures so because of that I don't feel like its worth returning. It's attractive with a nice hardback and colorful pages and it's a larger size: Given my child's enjoyment and its attractive presentation I bought a second as a gift for a friend, English I bought this for a gift but had a quick flick through myself: The bases look pretty amazing and I know this will be well received. Learn their top tips and tricks for making incredible bases in a variety of themes and follow their expert advice to create challenging structures and complex redstone mechanisms, Full of thematic builds and unique features this book of exceptional bases will spark the imagination of Minecrafters young and old. Minecraft: Epic BasesI guess I thought this would be helpful not really better off using Google for ideas and guides, English It's a nice book and the builds inside are stunning: My son loves looking at the bases and always wants me to build what is in the book, The only issue is this book is suppose to inspire you on how to build but is not a book that tells you step by step how to build anything inside of it, Had I known that it wasn't an instructional book I would never have bought it not your usual Mojang publications which my son has most of: It's a good quality book with clear print and obviously bigger pictures due to the books size. There are 96 pages in this book which covers some really epic Minecraft builds such as the sweet kingdom, The book gives some really good building tips and techniques which will really help the eager Minecraft builder: This is a good book which will be well received by Minecraft fans of all ages.
