

The Clan of the Cave Bear, Part 1 of 2 (Earth's Children, #1) By Jean M. Auel **The Clan of the Cave Bear, Part 1 of 2pc** I have tried to read every one of Jean's books and have come away with a better knowledge of history and pre history than I ever learned in school with little or no pain of boredom whatsoever. **The Clan of the Cave Bear, Part 1 of 2nd birthday** Ale tohle bylo tak skvělé! Rozjezd příběhu je pomalejší ale potom to už jde rychle (obvykle třeba jedno období v roce vyšlo na jednu dvě kapitoly) knihy jsou neuvěřitelně čtivě napsané a dozvídáme se jak fungovala tlupa kdo zaujímal jaké postavení že ženy byly vždycky považovány za něco málo autorka poutavě popisovala spojení s duchovním světem a jak se v jejím příběhu lidé stavěli k rození dětí "ženské kletbě" smrti rozmnožování atd. **Book The Clan of the Cave Bear, Part 1 of 2016** Hlavní hrdinka Ajla mi přišla fajn líbilo se mi že přestože byla v tlupě cizinka a měla svoji hlavu naučila se být poslušná a taky většinou nedělala zbytečné drama - nestala se ale ovcí která by poslouchala bez přemýšlení. **The Clan of the Cave Bear, Part 1 of 2nd birthday** (Saturday Review of Literature) The Clan of the Cave Bear Part 1 of 2 (Earth's Children #1) This book was amazing! I loved and cared about all of the characters and plan to follow them on more of their journeys. **The Clan of the Cave Bear, Part 1 of 2m direct** and if transported into prehistoric times could probably not only survive but assimilate and flourish with the indigenous population! Armed with expert knowledge she then adds brilliant imagination and character development together to create a story you buy into completely. **Book The Clan of the Cave Bear, Part 1 of 2000** So read The Clan of the Cave Bear and buy it in hardback née Jean Marie Untinen is an American author best known for her Earth's Children books a series of historical fiction novels set in prehistoric Europe that explores interactions of Cro Magnon people with Neanderthals. **The Clan of the Cave Bear, Part 1 of 2m direct** Auel née Jean Marie Untinen is an American author best known for her Earth's Children books a series of historical fiction novels set in prehistoric Europe that explores interactions of Cro Magnon people with Neanderthals: LOVE IT! English I have found that Jean Auel has been instrumental in helping me to appreciate the pre-history that pre dated our Native American tribes. **The Clan of the Cave Bear, Part 1 of 2ymate** His fiction based on archaeological findings is presented in such a way that you never know you are learning something very important: **Book The Clan of the Cave Bear, Part 1 of 2017** All of Jean's books are that way and I value every one: **The Clan of the Cave Bear, Part 1 of 2vintage** I only wish to emulate Jean's excellent style in my own books. **The Clan of the Cave Bear, Part 1 of 2zr** I know many liberties were taken by supposition-how could it not being our incomplete knowledge of this period of prehistoric social and interaction norms: **Book The Clan of the Cave Bear, Part 1 of 2010** Highly recommended! Book The Clan of the Cave Bear, Part 1 of 2009

Totally engrossing. That said best book I have read in many years. This time around not so much. Still it was an interesting idea. A ripping yarn.a gorgeous piece of work. However I have a word of warning. For this author is a one-hit-wonder. The following novel is just a formulaic romance novel.
