I'm glad that the Pride and Prejudice undertones were not blatant or I might of cried that Fielding so disgraced the characters. **Book Schokolade zum FrühstückDas Tagebuch der Bridget jonesboro** One of these days I'd like to read chick lit with a protagonist I can relate to.

I'll sue!! I didn't have many hopes for this book since I had already started it once but couldn't be bothered to finish it. **Book Schokolade zum FrühstückDas Tagebuch der Bridget jones funeral** Bridget Jones's Diary presents itself in the form of a diary that doesn't feel like an intimate portrayal of life at all as it lists a series of stuff that happens to Bridget in the driest way possible. **Schokolade zum FrühstückDas Tagebuch der Bridget jonesville va** She is the author of four novels: Cause Celeb Bridget Jones' s Diary Bridget Jones:The Edge of Reason and Olivia Joules and the Overactive Imagination and co wrote the screenplays for the movie of Bridget Jones's Diary and the sequel based on The Edge of Reason. **Book Schokolade zum FrühstückDas Tagebuch der Bridget jones's** Bridget 32 hat keinen Mann aber dafür eine Mutter die sie partout verkuppeln will: mit Mark dem frisch geschiedenen Staranwalt Bridget is no wannabe chick-lit heroine and this book is certainly no trashy best-seller! Bridget Jones's Diary is definitely a piece of literature! It is well written it's funny and it is extremely relate-able. **Schokolade zum FrühstückDas Tagebuch der Bridget jonesway** In a way it is a work of plagiarism and yet it has the quality of being original! It is at once the biggest tribute to Austen and one of the most successful experiments on creating a story which has its own elements of uniqueness and surprise! And the best thing about this book is you don't want to believe Bridget is not real! It's like Santa Claus or Hogwarts all over again! Yes I know I can't stop gushing over it but trust me had this book been anything like the usual chick-lits I most certainly wouldn't have given it a five-star rating! Of course I approached it gingerly and rather hesitantly at first but once I was done I felt like banging my head against the wall asking Why didn't I read it before when I had the e-book lying with me for the last three years? But I guess I had to borrow it from Gayatri and then spend an entire fortnight gushing over it! Do I recommend it to you? Hell yeah I do! Literature Fiction Prepare yourselves it's about to get personal up in here. **Schokolade zum FrühstückDas Tagebuch der Bridget joneson** So I've never seen the movie of Bridget Jones's Diary so I thought I would read the highly acclaimed book before doing so and to my great surprise I ended up hating almost everything about it. **Book Schokolade zum FrühstückDas Tagebuch der Bridget jones's** I 100% understand why people like it - it's funny and relatable and reminiscent of the great decade that was the 90's but because of a purely personal problem this book made me feel like garbage and therefore made me absolutely loathe my reading experience. **Schokolade zum FrühstückDas Tagebuch der Bridget jones** Friends family and other characters also call her fat throughout the novel and then I look at me who weighs over 15 kilos more than Bridget and it honestly made me feel like crap. **Schokolade zum FrühstückDas Tagebuch der Bridget jonesway** I have already been struggling with confidence and self-loathing because over the past couple of years I've put on 25 kilos due to changing medications for my mental health so this book honestly just made it worse. **Schokolade zum FrühstückDas Tagebuch der Bridget Jones epub reader** Is this what people on the street think about me when I walk by? Do my friends and family secretly discuss how much weight I've put on behind my back? It honestly took me back to when members of my own family were making snide remarks about my weight or offering suggestions for how exercise and dieting could benefit me thinking they were helping when really it made it ten times worse. **Schokolade zum FrühstückDas Tagebuch der Bridget jonesy** I get that a lot of people love the book and that's fine I totally get it but for me it ended up being a damaging and destructive novel that ended up being quite triggering for my depression. **Book Schokolade zum FrühstückDas Tagebuch der Bridget jonesboro** A book with a first name in the title Literature Fiction I didn't enjoy this book in an ironic way or in a it's-good-even-though- or I-can't-believe-I-do-but-I-perversely-can't-help-it or any other angled roundabout halfway indirect from behind kind of way. **Book Schokolade zum FrühstückDas Tagebuch der Bridget jones's** I read it last spring when I decided I was curious about what chick-lit was so that I could form an opinion and generally improve my likelihood of passing as a somewhat informed member of civilization.

**Book Schokolade zum FrühstückDas Tagebuch der Bridget Joneses** I tried \*Bergdorf Blondes\* the first few pages of which made me want to stab my eyes out with a rusty fork; well maybe it made me more want to stab someone else's eyes out (Plum Sykes springs to mind) but my point is that it wasn't just bad but actually highly disturbing. **Schokolade zum FrühstückDas Tagebuch der Bridget Joneses** I even flipped open a \*Shopaholic\* book which wasn't as awfully written as \*Bergdorf Blondes\* but did similarly make yearn for a grim Stalinist dystopia where this kind of trash just isn't permitted. **PDF Schokolade zum FrühstückDas Tagebuch der Bridget Joneses** Now my enjoyment of this book was not uncomplicated by this terrifying I-am-Cathy feeling that I'm now enough of a grownup to identify with a lovably neurotic character from fluffy popular women's fiction. **PDF Schokolade zum FrühstückDas Tagebuch der Bridget Joneses** I had the 100% straightforward chick-lit experience which I guess must be exactly this sense of recognizing your own ridiculously stereotypical feminine traits in a light novel's plucky heroine. **Schokolade zum FrühstückDas Tagebuch der Bridget Jones ebooks free** I'd sort of heard that a lot of it was about efforts to control her weight or whatever and this typical you know on-again-off-again dieting blah blah blah and I really couldn't imagine anything less appealing partly because that isn't a problem I identify with and partly because does the world really need another book about a self-hating lady trying to lose weight? And why would anyone want to read something like that anyway? Well I would. **Book Schokolade zum FrühstückDas Tagebuch der Bridget Jones** And I did! Because it's not really about her trying to lose weight (although I guess it kind of is) it's more about the constant compulsive agony self-inflicted by a woman cursed not only with zero impulse control and a ravenous id but also obsessively high standards for herself and a ridiculous amount of guilt and self-scrutiny about virtually everything she does. **PDF Schokolade zum FrühstückDas Tagebuch der Bridget Joneses** And it really really -- I want you to hear this from me -- truly gets at some stuff about certain ways that a lot of women tend to act and think which I'm sorry all my fancy feminisms and gender theory aside let's be honest a lot (not all) of us are very crazy in some classically female ways and Fielding just NAILS a lot of those. **Schokolade zum FrühstückDas Tagebuch der Bridget Jonesway** ) Are There Moments When The Main Character Would If The Book Was Set In The Current Time Period Do Something Awkward and Say Awkward Out Loud Afterwards In An Incredibly Irritating Faux American Accent With A Hint Of Irony But No Clue As To What Irony Actually Is?3. **Schokolade zum FrühstückDas Tagebuch der Bridget Jonestown** ) Is The Protagonist Selfish Deluded Thinks 9st Is Overweight Doesn't Think Maybe A Bit Of Exercise Would Help Pretty Much Every One Of Their Problems Not Care About Anything Except Men And Thinks That's Fine But Can't Stand The Idea of Marriage And Kids (But Secretly Wants That) Hates Anyone Who Is Happy Fielding nails the humor. **Schokolade zum FrühstückDas Tagebuch der Bridget Jonestown** shallow? Idiotic blind about themselves and their lives and obsessed with all the wrong things in life? I didn't sympathize with Bridget at all nor did I really care about the holes she dug herself into. **Schokolade zum FrühstückDas Tagebuch der Bridget Jonesway** Sure they'll tell you that I mostly end up calling everything cheesy and roll my eyes but that's a coping mechanism and they just don't get me alright? One of my favourite chick flicks is you guessed it Bridget Jones's Diary. **PDF Schokolade zum FrühstückDas Tagebuch der Bridget Joneses** I love its lightheartedness how utterly 2000 it feels and looks the Pride and Prejudice references and my god how gorgeous are Grant and Firth in this one? It's a personal attack I say Bridget doesn't grow and doesn't inspire empowerment at all as she doesn't stand up for herself not even once. **Schokolade zum FrühstückDas Tagebuch der Bridget Jonessoft generic** I know that when it comes to light-hearted comedies feminism can become too surface level but I wasn't prepared for this! After all there is nothing so unattractive to a man as strident feminism. **Schokolade zum FrühstückDas Tagebuch der Bridget Jonesville va** Sometimes her friend Sharon would come up with actual good talking points that could have started interesting conversations (like the unwillingness of most women to stop compromising their careers for the sake of men who don't share the same emotional investment as their partners) but Bridget mostly fat-shames calls a woman a worthless trollop because she's wearing a suit better than she did and at some point she laughs at

Daniel Cleaver's frigid cow comment (he calls her that because she once refused to have drunken sex with him). **Schokolade zum FrühstückDas Tagebuch der Bridget Jones** Without it we wouldn't have been able to get this brilliant incredible amazing show stopping spectacular never the same totally unique completely not ever been done before shot and what a wretched existence that would have been: Literature Fiction.

Helen Fielding was born in Yorkshire. Just a bunch of damaging self-hatred that triggered my own. No. This was not the only chick-lit book I attempted.Then there was Bridget Jones. Because dear bookster identify I did. Yes. And seriously? That's exactly what happened to me. One is she drinks too much. The other is she smokes. Plus she's very funny.Is this the greatest book ever written? No. But it was fun to read.(I have not seen the film). Literature Fiction

Get up and make sensible plan. Tonight's movie Bridget Jones's Diary (v. good). Feel v. organized.Hard to concentrate thoughts on journal paper. After lunch go back to bed need to recover energy. Wake up again mid-afternoon. Pack picnic. bad). Girlfriend not happy. Arrive back

home pissed at 1 am. Must do better tomorrow. Let me introduce you to the Béchamel Test. No not the Bechdel Test that's different. And not the sauce either. Here's how it works: 1.) Is There A Gay Best Friend? 2. But when I wasn't I was exasperated with Bridget Jones. Fielding nails her too. Why do women insist on being proud of being so. Literature Fiction Skirt is indisputably absent. much enjoying being sexually harassed by Daniel Cleaver. Because that's what feminists do
