

A.D. 62: Pompeii By Rebecca East **Book 624** In this gentle fable about the power of stories to change people's lives the heroine uses sources that include fairy tales and great works of literature to argue for women's rights and the humanity of slaves and to inspire herself and others to be resourceful courageous and independent. **A.d. year** Since most of the novel occurred in the Tullius villa and focused on the daily lives of its residents the novel provided a revealing window on the world of a Roman equestrian family - the operation of their household their family their social lives and the gender and cultural roles each member played in the overall fabric of Roman society. **Book 624** I especially appreciated the fact that Rebecca respected and preserved each characters' values and did not introduce some startling transformation as a result of the heroine sharing her "liberated" viewpoint of the 21st century. **A.D. 62 booklet** While I did somewhat enjoyed this story I have to admit the main character Miranda was just so bloody lucky she was always knew what to say when to say Always was at the right place with the right people with her. **Pdf62-0345** English Very enjoyable take on the day to day life of a family in ancient Pompeii English I read this book because I like time-shift stories where the character travels to another time and lives the life of someone either in the past or the future. **A.D. 62 booking** All was good so far the author was good and giving information about Pompeii but it did come across a little bit as if she was quoting from history books and it was a little repetitive on the historical facts. **A.D. 62 booking** I enjoyed the story at the beginning and was hoping that we would see Miranda encountering various adventures you would expect that a person from the 21st century would have far more difficulty being dropped in the middle of Pompeii but she has the most unimaginable luck and falls on her feet every time she always says exactly what people want her to as if she is a mind reader. **Book 620** What finally made me give the story only two stars was the far fetched romantic element where her luck is just too incredible to be believable her choice in the end was I thought foolhardy to say the least. **A.d. meaning in history** There is no doubt the author did an amazing job researching but at many times in the book I felt lectured at on ancient Pompeii instead of these bits of information seamlessly integrated into the story. **A.D. 62 epub** If you can get past the poor writing and constant repeating there is a good story line in here--good luck! English My favorite genre is Historical Fiction particularly historical fiction involving time-travel.

Rebecca enjoys writing historical fantasy (so far an enjoyable but expensive hobby). **A.D. 62 booking** Readers can download Rebecca's first historical fantasy at (pen name Rebecca East) for \$, **Book 624** 99 at {site\_link} It's a tale of a stranded time traveler in Pompeii. **Book A.D. 622: the hegira** One reviewer called it "Cinderella in Pompeii"; Rebecca prefers to think of it as "Upstairs/ Downstairs in Ancient Rome". **Fantasy A.D. 62c** See {site\_link} for examples of ancient art that inspired the story. **Fantasy d20** She plans to change the title and cover revise based on reader feedback and reissue her novel within a few years: **Book A.D. 626 area** For now she hopes this story may inspire reader interest for her next book: **Ad620 pin diagram** Current work in progress is historical fantasy set in 13th century south France. Rebecca enjoys writing historical fantasy (so far an enjoyable but expensive hobby). **A.d. real estate investors** Readers can download Rebecca's first historical fantasy at (pen name Rebecca East) for \$, **A.d. real estate investors** 99 at {site\_link} It's a tale of a stranded time traveler in Pompeii: **Ad620 pin diagram** One reviewer called it "Cinderella in Pompeii"; Rebecca prefers to think of it as "Upstairs/ Downstairs in Ancient Rome", **Historical Fiction A.D. 62 pdf** See {site\_link} for examples of ancient art that inspired the story, **A.D. 62 book** She plans to change the title and cover revise based on reader feedback and reissue her novel within a few years. **A.d. meaning in history** For now she hopes this story may inspire reader interest for her next book. **Book 624** Current work in progress is historical fantasy set in 13th century southern France. **A.D. 62 booking** Brief description: The Lady of Mirefoix faces a crisis when the brutal husband she believed dead returns from the Crusades: **EBook A.D. 623 area** But

the spell never works as expected and the souls she summons have desires of their own. **Book 624**

The first thing an Italian greyhound has to learn in her house is that nothing happens before Mommy has her coffee. **D 60 form us visa** com {site\_link} A twenty-first century woman is stranded in first century Pompeii when a time travel experiment goes awry; she is sold to a wealthy family as a house slave. **Book A.D. 622: the hegira** This provides her with an intimate upstairs/downstairs perspective on household life in ancient times, **EBook A.D. 623 area** At first she does menial work but she improves her situation by telling stories and making prophecies. **Historical Fiction A.D. 62 pdf** As her influence grows she wins the love of her master and his daughter and provokes the vengeful jealousy of his wife. **Book A.D. 622: the hegira** Miranda's own life becomes as mythic as the stories she tells. **Book A.D. 622: the hegira** In a narrative that is part adventure part romance and part fantasy the heroine triumphs over adversity and makes a place for herself in the world of the past. **Book 624** com to see ancient works of art that inspired the descriptions of characters and settings: **A.D. 62 fantasy premier** 62: Pompeii" and I too have added Marcus Tullius to my pantheon of Roman heroes, **Fantasy A.D. 62c** Since he did actually exist I can hope that he was as noble sensitive astute and talented as Rebecca's portrayal. **A.d. meaning in history** And with the Latin why was she so good at reading and speaking it? We have no idea how it sounded and she knew from day one what everyone was saying: **Book d2 solutions** I had a problem with the Love part to the master/slave thing was just wrong and it was almost like she was brain washed to love him. **Book A.D. 622: the hegira** And then for him to be in full blown love with her at the end just came out of nowhere, **A.D. 62 ebookers** He saw her as a possession not a woman and there was little from the story to show the change in him: **Kindle d026 a0a0** I really loved the historical aspects of the story and this was the main reason I picked up the book, **Historical Fiction A.D. 62 66** But Miranda was too weak and should have put more of a fright at the start and come on she had nothing and no self defense training, **A.D. 62 book** She knew that she may encounter some issues this is bloody Romans for god sake, **D62 portal** She felt like she was not prepared well this was a paid time travel, **A.D. 62 ebooks free** Where were the details of the lesson or well more than we got, **A.D. 62 book** It's like she was just there in this time with hope that she was not killed or taken advantage of. **Ad620 texas instruments** The idea for this story was very good Miranda is part of an experiment to send a person back and forth in time using a wristband which is a kind of teleporter. **A.D. 62 bookworm** Miranda ends up in 62 AD in the house of Marcus a wealthy man who is married with a family. **Book A.D. 622: the hegira** English I was so excited to finally get this book on PBS but have been disappointed with it ever since. **Kindle d026 generation** The premise is SO good but the writing really falls short, **A.d. rutherford** What I found most annoying was the fact that she would repeat herself over and over again on small historical details often using the same exact sentences again and again. **Book A.D. 622: the rise** Copious repetition and some typographical errors notwithstanding I found the storyline very absorbing. **Fantasy A.D. 62c** If you can get over the former (which I made myself do) it's an enjoyable read. **Book d12 - yango - atlas** It's about a woman named Miranda who gets to go back in time to 20 years before the volcano Vesuvius erupts in Pompeii, **A.D. 62 booklet** It didn't expand much on the technology of how she got back which I think would have been good to add in but it focused more on her story there: **EPub A.D. 626 area** She becomes a slave to Marcus Tullius and later they fall in love. **A.D. 62 kindle app** It was a unique time travel story! English The historical information that is conveyed in this book is excellent if a little dry: **Fantasy A.D. 62c** Essentially it is a monograph on Pompeii masquerading as a very poorly plotted novel, **EBook A.D. 623 area** Still the historical detail is very interesting and it is fun to visit the author's website afterwards to see pictures of the artwork and artifacts that appear in the book: **Kindle d025 a0a0** English I've always been fascinated with Mt Vesuvius and its turbulent history of eruptions. **A.d. meaning in history** Read lots of stuff on Pompeii and Herculaneum and the current excavations: **Book d12 - yango - atlas** Hope to visit there next year while we're in Europe and culminate a childhood dream: **Book A.D. 622: the hegira** English Very well done I never buy e-books I always buy an actual book: **A.d. year meaning I** hope the author writes more books like this is very well done and very well edited: **Book d2**

**solutions** It's nice to read a book without a bunch of grammatical and spelling errors. She turns to magic to protect Mirefoix. See [www.rebeccawarnerauthor.net](http://www.rebeccawarnerauthor.net) for information and updates. Her interests include reading nature walks and Italian greyhounds. Rebecca loves to hear from readers! [Rebeccawarner1021@gmail.com](mailto:Rebeccawarner1021@gmail.com). Visit the companion web site at [www.rebecca-east.com](http://www.rebecca-east.com). A.D. 62: Pompeii I finished Rebecca East's novel "A.D. 62: Pompeii". English 2.5 for this one. Very irritating. English 3.5 rating This story was actually pretty cute. It was a pretty cute love story. Can't wait to see all the mosaics. Roman Italian geology. I'm very glad I bought this as an e-book. English
