Prepared by author Clyde W. I think I will continue the series. 0738707856 This was a good high action murder mystery. It involved a lot of action and deep thinking. Would be a great TV movie. 0738707856 Pretty good book. 0738707856 Local author recommended by my dentist. The only one who knows he's innocent is himself. Liked the book but thought it wasn't totally believable. 0738707856
