

Sunshine Has Rain By Sherrance Henderson **Sunshine Has Rain kindle** Although I felt the book lacked some description where the author could of expressed more.

Book Sunshine Has rainmeter

An Okay Facade Sherrance Henderson's debut novel 'Sunshine Has Rain' chronicles the life of Channa Renee Jones the only African American woman working at Morgan Pharmaceuticals.

Sunshine Has rainn ' Immediately I was drained by the main character and how saturated she was in her appearance her friends her men her job her her her! Usually I prefer reading books where you're able to read and not have it narrated throughout. **Sunshine Has Rain epub** She is lost! Will Channa the self-absorbed diva make it? Will she be able to regain her life as she once knew it? Will Channa recall the most powerful tool of them all or has she forgotten? Only the test and time will tell! Lets hope Channa makes it! God is brighter than ever! Reviewed by: Crystal 3.5 Sunshine Has Rain Very long and drawn out. It should have less detail and more action to it. It is a test of faith and love. I love the narrative and her writing skills. I love authographed books also. This stylish diva prides herself on being the spotlight. Nonetheless Channa's charmed life is in for a stirring. I would recommend this to any book lover.well he's big in all the right places. Her girls are September Deja Pam and Nykasha. They too like the finer things in life. Channa is living the life
