

The Blindfold Date Duology (Pursuit of Love #1.5-2) By K.C. Carmine **The Blindfold Date Duology ebooks free** I really enjoyed this contemporary romance where Ernesto yearning for a relationship but needing strict parameters and coping mechanisms in his life decides to give the Blindfold Dating app a whirl. **The Blindfold Date Duology book pdf** I loved how these two worked things through had the perception to realise that the other was more vulnerable than they seemed and how the very hot BDSM scenes helped build on that mutual perception understanding and intimacy to give the promise of a lasting romance. **The Blindfold Date duologyer** FREE stories Amazon author page Twitter Instagram TikTok BookBub StoryGraph Facebook group Sign up for newsletter CarrdLink to free Christmas story 2021 The Blindfold Date A new dating app. **The Blindfold Date Duology ebooks** TW/CW inside the book The Lonely Date An 18k prequel story to the Blindfold Date where we get to meet Brian and Ernesto at a pivotal moment 12 years earlier as students at the same university. **The Blindfold Date Duology ebook pdf** 5-2)Review for The Blindfold DateTW: past SA and abusive relationship that are described on pageI really enjoyed reading Ernesto and Brian's story! It was such a great mixture of 5-star elements: a contemporary romance two amazingly sweet MMCS hot AF sex scenes and funny dialogue! Ernesto is neurodivergent a game developer and a bit of a control freak. **The Blindfold Date Duology book review** He has had a crush on Brian since university; Brian is a big former rugby player bi-sexual sweetheart with a heartbreaking past in terms of how he allowed others to treat him and he vaguely remembers E. **PDF The Blindfold Date duology pdf** And their scenes together were so hot! The one at Brian's office?!!! I also loved that E's neurodiversity was never a big deal for Brian as he had personal experience living with someone on the spectrum. **The Blindfold Date duologyer** And E had so much empathy for Brian's past; seeing how much he cared for Brian and the wounds he carried was so sweet especially as it was clear that helping Brian was difficult for E to do due to his autism. **The Blindfold Date duologyht** I have read a few books with neurodiverse characters but none that explained how the character's neurodiversity affects their sex-life and sexual expression in such detail and I thought the way the author did it was so brilliant. **Book the blindfold date duology book** And I loved how safe E made Brian feel; even though Brian is so much bigger physically he had a lot to learn in terms of being safe while doing scenes and having the courage to say no to something he did not enjoy. **Blind date with a book library** After reading about E and Brian's romance *hint *hint - it is tumultuous in The Blindfold Date Carmine has given us something that most other authors do not! A chance to see their 'origin' story which endears them to us even more deeply. **The Blindfold Date Duology book review** There are so many areas of this series to highlight: MM romance between a neurodivergent nerd and a sensitive "Maybe not 100% straight after all" college footballer looking to go professional; family drama/trauma; friends with some dominant bear qualities; and an underlying need of each of these characters to initially fit in but with experience they come to the understanding that love means acceptance. **The Blindfold Date duologyks** The Lonely Date is absolutely bittersweet as we see behind-the-scenes experiences that neither E or Brian do and although we can be pleased with their future it is quite hard to have the spotlight placed upon their younger limited engagement. **The Blindfold Date duologybee** Think back on your youth and you will likely remember painful times spent learning about yourself but be pleased that those growing pains are well-worth the struggles we put ourselves through<3. **The Blindfold Date duologyks** Once I started I couldn't put it down□The blindfold: I loved both E and Brain and how they just fit together both finding the completeness that they were looking for without knowing it. **Kindle The Blindfold Date duology free** "The Lonely Date" is a prequel to "The Blindfold Date" can be read equally as an introduction to that novel or as a way for people who have already read "The Blindfold Date" to explore the early years of the two main characters from that book. **Book the blindfold date duology pdf** Both are just starting to explore their romantic urges - Brian addressing the bisexuality he can no longer suppress and E struggling to find a way to express himself sexually that gels with his neurodiversity,
