

Leaping Life's Fences: An Autobiography By Pat Smythe ,

## Book Leaping Life's fences book

Pat Smythe was one of the earliest women British showjumpers in an age when the sport was dominated by cavalry officers, **Book Leaping Life's fences book** She had no children but wrote about her horses her travels and some young people's adventures, **Book Leaping Life's fences book** Her Swiss husband travelled for work so Pat took a job reporting for the United Nations on what she saw when she accompanied him. **Leaping Life's Fences pdf editor** Pat's full life story is told by her in 'Leaping Life's Fences' which combines her early autobiographies such as 'Jump for Joy' with later personal reminiscences, **Book Leaping Life's fences book** I find this an excellent read and consider Pat an admirable person in many regards. **Leaping Life's fencescreen** 0948253592 Leaping Life's Fences: An Autobiography

. She travelled a lot and won an Olympic medal in Rome. Pat had both hips replaced before she was forty. She married twice because her first husband died young
