

On Abstract Art By Briony Fer **Abstract art artists** The author speculates on the language required to describe the effects of key abstract paintings and sculptures and on ways to discuss critical issues when a work of art is without subject matter,

Kindle On Abstract art

Briony Fer FBA is a British art historian critic and curator; professor of history of art at University College London: **All about abstract art** She has written extensively on diverse topics of 20th century and contemporary art: **Abstract art coloring book pages** An exploration of ways to think about abstract art and the problems of interpretation it raises: **About abstract art** On Abstract Art Not what I expected: too much Freud for my test although some of the chapters I enjoyed more than the others. (The one about Rlihter's work was really interesting). Might be one to come back to at later date. On Abstract Art
