

The Dozens: A History of Rap's Mama By Elijah Wald **EPub The dozens arrested** 0199895406 Truly the best book ever on the pre-history history literary use of musical recording of phenomenology of and everything else you could think of of insulting people's mamas. **Dozens bakery price list** Pursues lots of different ideas of what they mean includes multicultural insults (including people doing the deed in Turkish) and scholarship on the relation of folk to commercial culture. **Dozens of doughnuts book** And since Wald knows a billion things about the old blues circuit (see his excellent book on Robert Johnson hardly the untutored primitive 60s rockers made him out to be; as Wald notes in the pictures we have of Johnson he's wearing a suit) he can talk really smartly about what the early recordings of insult songs do and don't mean. **Dozens of doughnuts book** Plus this sentence which is one of the greatest sentences ever to be published by Oxford UP: No one has attempted a serious historical insult mapping of the United States whether by culture ethnicity or geography and by now it may well be too late (166). **Pdf do enem 2021** To be honest I found this quite repetitive and not all that enlightening once I'd got the basic message that there's a kind of dotted line relationship between 'the dozens' and rap. **Dozens of doughnuts book** On the other hand the author clearly has a sense of humor & I think the book would have felt less like a bit of a slog & more like a terrific conversation if he'd let a bit more personality come through the pages & left the high-faluting language to academic journals. **The dozens origin** His new book is a revisionist history of popular music throwing out the usual critical conventions and instead looking at what mainstream pop fans were actually listening and dancing to over the years. **Dozens of donuts book** His new book is a revisionist history of popular music throwing out the usual critical conventions and instead looking at what mainstream pop fans were actually listening and dancing to over the years. **The dozens origin** At readings he also plays guitar and sings why not? {site_link} From Two Live Crew's controversial comedy to Ice Cube's gangsta styling and the battle rhymes of a streetcorner cypher rap has always drawn on deep traditions of African American poetic word-play In Talking 'Bout Your Mama author Elijah Wald explores one of the most potent sources of rap: the viciously funny outrageously inventive insult game known as the dozens. **The Dozens kindle direct** A game which could inspire raucous laughter or escalate to violence it provided a wellspring of rhymes attitude and raw humor that has influenced pop musicians from Jelly Roll Morton and Robert Johnson to Tupac Shakur and Jay Z. **The dozens slavery** Wald goes back to the dozens' roots looking at mother-insulting and verbal combat from Greenland to the sources of the Niger and shows its breadth of influence in the seminal writings of Richard Wright Langston Hughes and Zora Neale Hurston; the comedy of Richard Pryor and George Carlin; the dark humor of the blues; the hip slang and competitive jamming of jazz; and in its ultimate evolution into the improvisatory battling of rap. **Pdf do enem 2021** From schoolyard games and rural work songs to urban novels and nightclub comedy and pop hits from ragtime to rap Wald uses the dozens as a lens to provide new insight into over a century of African American culture. **Dozens of doughnuts book** yo' mama has so much hair under her arms looks like she got Buckwheat in a headlock 0199895406 I came across a reference to the dozens in something I read and I was fascinated because I had never heard the term. **Dozens of doughnuts book** [Probably because I'm an old white lady <:] This book is tracing a cultural phenomenon of a game played in a group usually for a group of throwing insults about a person's mama [or family] back and forth until one person is declared winner. **Dozens of donuts book** The title is a bit misleading as Rap is discussed as about 5-10% of the total text because the historical precedents are actually much more interesting rooting back into the Jazz era the writing the music the survival strategy aspects of slipping into the dozens of testing boundaries and affirming friendships and outing aggressors. **Pdf do enem 2020** And one of the fondest memories of my high school years was when all these same clowns and I got our mothers together to cook them dinner one night so they could all meet. **The dozens origin** But our moms got to meet and hang out and feel loved because at the end of the day no matter how many ways I put someone's mom on blast I always knew in my heart they were someone's mama. **The Dozens kindle paperwhite** 0199895406 Wald writes academically about aspects of American culture that aren't often afforded the treatment which means he's doing important (and occasionally

groundbreaking) work while never being quite as entertaining or engaging as his subjects would seem to warrant:

Dozens of books

Fairly interesting look at slams within rap but I tapped out 40% of the way through due to other commitments. **EPub The dozens** That would be one heck of a book I think we can all agree, **Dozens of doughnuts book** I picked it up because I'm interested in the roots of rap music (and I read his book on the blues): **EPub The dozens** 0199895406 I agree with another good reads review that calls the book often frustratingly dry especially given the vibrantly raunchy subject matter: **Dozens bakery price list** The author is an academic & often uses words that I've never even heard of before forget knowing their definition, **The Dozens kindle** For example sequelae is used in the preface & lagniappe is used in the last chapter: **Pdf do enem 2022** I've since looked up both words but I just skipped over many others, **Kindle The dozens bank** I like having a big vocabulary myself but it just seemed extra obnoxious in the context of a book about the history of the dozens: **The dozens origin** If you get bored skip ahead & read chapter eleven Why Do They (We) Do That? a nice overview of various theories: **Book The dozens restaurant** 0199895406 Elijah Wald is a musician and writer with nine published books, **EPub The dozens arrested** Most are about music (blues folk world and Mexican drug ballads) with one about hitchhiking: **The dozen trivia** At readings he also plays guitar and sings why not? Elijah Wald is a musician and writer with nine published books: **Book The dozens** Most are about music (blues folk world and Mexican drug ballads) with one about hitchhiking: **The Dozens kindle paperwhite** So what is the dozens? At its simplest it's a comic chain of yo' mama jokes: **Book The dozens meaning** At its most complex it's an intricate form of social interaction that reaches back to African ceremonial rituals: **Dozens bakery epping** Wald traces the tradition of African American street rhyming and verbal combat that has ruled urban neighborhoods since the early 1900s. **The Dozens kindle reader** Whether considered vernacular poetry aggressive dueling a test of street cool or just a mess of dirty insults the dozens is a basic building block of African-American culture, **The dozens book** A groundbreaking work Talking 'Bout Your Mama is an essential book for anyone interested in African American cultural studies history and linguistics and the origins of rap music. **The dozens bookpedia** The Dozens: A History of Rap's MamaWald's always pleasurable reading. **Dozens bakery epping** 1st written reference 1921 chris smith song (don't slip me in the dozens)NBA standard trash talking10, **Dozens bank west pinchbeck** '47 black mocking signifying songs similar to African songs of derision, **Dozens killed in stampede** interpretations: predatory bullying or survival of an ancient African tradition17. **The dozens bookpedia** most of us ain't goin' nowhere in this world ain't goin' to do much better than we're doin' now51-52: **The Dozens kindle paperwhite** often used c*ck to mean vulva not penis (c-sucker can mean man performing cunnilingus)Ancient euphemism abbrev: **Book The dozens arrested** goes back to Egypt cult of Isis & Roman cult of Venus: **EBook The dozens** Hostility was an elaborate masquerade whereunder they concealed genuine affection, **Dozens of doughnuts book** ----so ugly dey have to cover yo' face up at night so sleep can slip up on yo'----so ugly they could throw yo' in de Miss, **Book The dozens restaurant** River & skim ugly for 6 months---you heard her you ain't blind87, **The dozens book** dick gregory developed his comedy skills with the dozenscenter photos--725 BC Stela of Great Chief of: **The dozens origin** a donkey shall copulate with him a donkey shall copulate with his wife his wife shall copulate with his child. **Book The dozens arrested** These games can be fun and humorous but can also lead to physical violence: **Kindle The dozens synonym** The author likens the game to jazz as well as rap and the history goes back to the early 20th century and vaudeville. **EPub The dozens restaurant** Fascinating read! 0199895406 Great scholarship on the history of the dozens, **Dozens of doughnuts book** I grew up talking shit and capping/clowning my friends talking up and down about their mothers in the most debased sexist racist juvenile and CREATIVE ways. **The dozens slavery** You grew to know when too much was too much and we all grew thick skins; and THAT kept us out of trouble with folks who didn't

know us like that, **The dozen trivia** there's no joke to this part it REALLY happened and it was silly and we cooked a crappy meal you'd expect from a pack of 16/17 year olds, **The dozens bookpedia** It was an important and formative part of my adolescence and certainly frames all the talking I have to do at work in a way that keeps me from getting in fools faces: **EPub The dozens restaurant** The Dozens is an easily accessible academic book that really gets under the skin check it out: **Dozens of dachshunds book** This book is no different -- enlightening but often frustratingly dry especially given the vibrantly raunchy subject matter. **The dozens slavery** 0199895406 gave insight on the way we communicate as black men: **The Dozens ebook** Shows that nurturing is a trait in black men (like any men) but it expressed in a different way (could be considered harsh by some). **Pdf do enem 2021** I like that Wald wasn't pretentious in explaining the topic and gave multiple points of Views: **EBook The dozens** I gotta agree tho it was a bit dry (given the topic). Light-footed funny and scholarly too. 0199895406 Probably a 3.2. 0199895406 Brings back childhood memories.
