

Issue on the Mind Cigarettes vs. Alcohol By Chad E. Brumbaugh **Issue on the Mind Cigarettes vs. alcoholgrens** Why do they not raise the prices on alcohol to get people to quit drinking? This is a big issue on my mind and I wanted to write about it so people could see what should happen between the two, Alcohol is a non-fiction novel written to give tremendous insight on the great dangers of both cigarettes and alcohol. **Issue on the Mind Cigarettes vs. alcoholes** As of right now the government is trying to have images to on packs of cigarettes depicting what can happen if you smoke, **Issue on the Mind Cigarettes vs. alcooledu** I'm saying that if you want to put those images on cigarettes then you should put images on bottles of alcohol. **Issue on the Mind Cigarettes vs. alcoholass** In reality Alcohol can kill you faster than a cigarette can, **Issue on the Mind Cigarettes vs. alcoholass** The government keeps raising the prices of cigarettes to try to get people to quit smoking. **Issue on the Mind Cigarettes vs. alcoholful** I want people to have healthier lives and in order to do so the government needs to target both cigarettes and alcohol[1]

Issue On The Mind Cigarettes Vs. Canada already has this on their packs. Issue on the Mind Cigarettes vs. Alcohol
