

RIDDLER YEAR ONE #4 CVR A BILL SIENKIEWICZ (MR) By Paul Dano **Riddler year one #2**  
Through the filter of Edward's memories we experience his brutal past but also learn about a once-possible hope--a hope that was dashed and that led to his lifelong obsession with and hatred of Thomas Wayne. **A year of riddles** the colours in this issue fit the tone so much i loved seeing baby eddie and u can see each reference from the film slowly gather throughout the comic which was super cool! also baby bruce too :)there's unexpected violence in this comic and it deals with a lot of childhood trauma but i enjoyed this little flashback sort of storyline that we got to see:
