## **Book Tales of the mossad meaning**

Axis troops with German General Erwin Rommel find a vault full of jars holding Jewish scrolls from the days of King David and King Solomon. **Book Tales of the mossad** Add in an assassin with a connection to the Bader-Meinhof gang and another assassin with many kills for the Italian Mafia who has renounced his job and become a monk brought back by the Cardinal to kill Rabbi Levy and the story becomes almost a “who can get there first and do the job first” with none of the sides knowing what the other is doing. **Book Tales of the mossad book** But would a rogue Cardinal in the Vatican be able to get far enough in a plot to discredit the Jewish claim to the Holy Land and change the origins of Christianity to reflect the belief that it grew out of Islam? I found this to be a bit hard to believe. **Book Tales of the mossadams sharefile** Could the Cardinal have kept this entire plot secret from everyone at the Vatican from the Pope down to the person who runs the telephone system and Internet? Even with those questions I found Tales of the Mossad: Birth of Chrislam to be a good thriller with lots of plot twists and turns all the way up to the end. **Tales of the Mossad Historical fictional** Review by Charlayne Denney Member of the Paranormal Romance Guild Tales of the Mossad: The Birth of Chrislam Book Info: Genre: Religious Suspense/Thriller Reading Level: Adult Disclosure: I received a free eBook copy of this text from the author in exchange for an honest review. **Tales of the Mossad pdf** Synopsis: Rabbi Jacob Levy is a Widower who lives by himself on the shores of Eagle Mountain Lake in Fort Worth a former member of Mussolini's Secret Police decides to have Rabbi Levy assassinated and the ancient document destroyed. **EPub Tales of the mossad agent** There are lots of twists and turns in the book and one has to pay attention to catch everything although Israel does a good job of keeping secrets and not exposing the answer until the denouement. **Book Tales of the mossad 101** I know I enjoyed it!
