Omg it was one of the sweetest books I read as a child, I didn't know it's nostalgic for so many Iranian men and women: it's so sweet to see that there are many other people who have memories with this book :) Paperback آخي چه دوراني بود . The Persian version contains stories explaining the comics and the ending is quite depressing; especially when you consider the tragic fate of Ohser, He was quite a hero in my opinion producing these delightful cartoons in the gloomy prisons of the Nazis all for his son, Er war ein deutscher Zeichner der besonders durch seine Comicstrips um Vater und Sohn Bekanntheit erlangte: Der wunderbare Humor der Geschichten von »Vater und Sohn« ist nahezu zeit- und kulturunabhängig manchmal rührend manchmal auch bissig; ganz zutiefst menschlich, 3

It`s just Great! I still love to read them although I have read them thousands of times! Paperback This is a comic book without text, We looked at one comic strip together discussed it and our homework was to write a short story that went along with the pictures we had talked about, Fun times! Paperback Como si de un primigenio Guia del Mal Padre se tratarala obra muda nos narra las desventuras de una lamina que viven un padre atipico con su inquieto niño. I remember when I read the last part. it was so depressing for me when I was young lol. Paperback Erich Ohser bekannt unter dem Pseudonym e.o.plauen wurde am 18.
