Rob Durham has written a book on the ins and outs of being a stand-up comic. **Don't Wear Shorts on stagex magicmotorsport** Hilarious and enlightening he uses some funny experiences of his own with famous and not-so-famous people to give some great tips on getting started in the biz: **Don't Wear Shorts on stagentsvc.exe** Rob Durham 'gets it' as a performer and a teacher of how to get going in the comedy business, **Book Don't Wear Shorts on stage 3** He covers the little things that so many new guys ignore, **Don't Wear Shorts on stagentsvc.exe** --Jimmy Pardo I support this book unconditionally! --Maria Bamford Read this book before going to your next open mic night. **Don't Wear Shorts on stagers store** --Tommy Johnagin Don't Wear Shorts on Stage: The Stand-up Guide to Comedy

I enjoyed this book think it's honest and truthful but also rather bleak and dark. **Don't Wear Shorts on Stage nonfiction** It kind of gave me the impression that all the time and dues paid doing stand-up comedy really weren't worth it, **Book Don't Wear Shorts on stage 2** It has a very submissive spirit to it and seems to have damaged the psyche of the author a bit: **Don't Wear Shorts on Stage publishing** English I love everything about this book! English Accurate. **Book Don't Wear Shorts on stage 4** Durham nails it and that's why it's not some happy follow your dreams to the top BS that other books might suggest, **Don't Wear Shorts on Stage booking** English Rob Durham is a touring stand up comedian and a high school English teacher so his students learned right away not to heckle. **Don't Wear Shorts on stagers store** As an author he's published the highly praised book Don't Wear Shorts on Stage and has just recently released his first YA novel Around the Block. **Book Don't Wear Shorts on stage 3** With a smile that says I didn't get my braces off until I was 27 Rob shares the frustrations and joys of teaching. This is the book I would have written. . if I had the time interest or word-processor. That's my take on it friends. That's the best way to sum it up. Comedy is a rough industry and this book SHOWS that. He answers questions I wouldn't have even thought of asking. It's comedy realism..
