

Figures of Speech Used in the Bible: Explained and Illustrated By E.W. Bullinger I do not know Hebrew so this book gives great insight into my study of the scriptures! 0801005590 Great insight but tough read because of the use of Roman numerals older fonts and layout of the points and sub-points are quite difficult to decipher at times. In systematic order this classic gives the proper pronunciation of each figure of speech its etymology or origin and a number of Scripture passages where the figure of speech is used giving full explanation of its use in each context,

This is not a book I have read cover to cover because it's purely a reference book: It's the best one I know of on Biblical figures of speech, 0801005590 Bible translators have through inattention to figures of speech made serious translation blunders clouding the real meaning of many important passages of God's Word, Bullinger's volume first published in 1898 clarifies 217 distinct figures of speech used in the Bible, Kaiser dean of Trinity Evangelical Divinity School calls it the best handbook on figures of speech, Figures of Speech Used in the Bible cites nearly eight thousand Bible passages and includes five appendices and seven indexes making it even more valuable as a reference tool, Figures of Speech Used in the Bible: Explained and Illustrated Ethelbert William Bullinger.

. However I have used it often over the years. 0801005590 Super book for study and research purposes. But at least it forces me to pay attention. E. W. Walter C. It should be on every exegete's shelf
