

Perfect Mate (Project Rebellion, #1) By Mina Carter **Perfect match book series** Because of all that action going on the romance part suffered and we got to see only one sex scene and that is all we got apart from their first kiss (that happens in the first few chapters). **Paranormal Perfect mater dei** A secret group of scientists deep within the government have been conducting insidious experiments on military soldiers and on other unwilling participants who have been misled about the "project". **Perfect match booknode** After a year of acting and displaying in accordance with what the project scientists expect of them as lycans Captain Jack Harper and his platoon executing their plan of escape are now battling their way out of the facilities. **Perfect mate 2020** Also the one factor I find very irritating that I find in a majority of books this one included is the declaration of love between the hero and heroine in a matter of hours. **Perfect makeup products** Still have the cookie cutter style with the male and female attraction but at least the female lead is a strong woman! While this is fiction and almost anything can go it does have to have some real components to believe in and this one just did not have that. **Perfect maintenance cleaning** 5 alpha shifter stars ☐ ☐ ☐ 9781609288679 Not really feeling this one Carter☐Carter writes some pretty catchy alien romances and since this Dane loves herself some werewolves I thought this was a solid choice right? Wrong. **Perfect Mate kindle** ☐The blurb sounds amazing- "Injured werewolf created by the military finds his mate before he is doomed to be terminated?" Pretty badass right? Then add vampires AND zombies to the mix and I should have been dancing in pure joy right? Wrong. **Perfect mate parents guide** Read:05/02/2019Genre/Sub-genres: Romance/Paranormal/Military/Shifters/vampires1st rating: 2 starsCover: 2 starsWill I recommend: Beware of the insta love and the flat characters but action wise it kicked ass! ☐ 9781609288679 Good and entertaining but it could have been freaking awesome. **EPub Perfect matelas** Can someone please pretty please put this trope out to pasture and shoot it? With a nuke? I get the idea of destined mates one person in all the world is romantic but the sniff test is lame. **Perfect match book jodi picoult** Mating for life is awesomely romantic but sniff sniff we are going to bone for all eternity and you have no say whatsoever because it's destiny pisses me off!!!! Stepping away from my rant box now. **Perfect matem magazine** ;) What saves this story (other than a terrifically dark universe) from being the flag bearer for trope nation is getting to know some the sequel bait and getting to know the world-building through their eyes. **EBook Perfect maternity** Would I rec it? Yes especially if you like the darker creepy universe aspect but be ready for mega tropes out of trope nation to rear their ugly little well-trodden heads in the worst moments. **Perfect mate ebook free** Throw in some romance and the evil government bang you have an intriguing new series! Smutty fans of Mina Carter may be a touch disappointed there isn't a lot of smexy steam here. **EBook Perfect maternity** So if you are looking for one of her bedroom reads this isn't going to work for you! The smexy time is great and plenty detailed it just isn't the whole point of the book. **Kindle Perfect mater dei** Antonia isn't as fun but she makes up for it in attitude! The are a serious handful for their men! I listened to the audiobook narrated by Emily Beresford who is always a delight,

☐ FREE on iBooks today (7/12/2019)! ☐ 9781609288679 BASICS Love triangle? No, **Perfect Mate kindle** but there's a scene where h is almost raped and it's detailed, **Perfect match book** Would I read more by this author/or in this series? Maybe but not for now: **Perfect match book** Rating: 3 starsReviewThe first few chapters were really intriguing and you get to see some romance between H/h. **Perfect match winner prize** Now I'm a big action fan but this story had for me a bit too much of it: **Perfect matt sigma** For someone who really likes action in their romance stories this is a perfect read: **Perfect matem mod apk** :) Safety-gang: The safe-with-exception tag is referred to the rape scene where it's a bit detailed. **Perfect mat for abs workout** Otherwise it's overall safe there are some OM memories in h's POV but nothing descriptive, **Perfect mate clo** 9781609288679 This had so much potential yet SO many issues that I just couldn't finish it: **EPub Perfect matelas** Oh My! I wasn't sure what to expect when I picked up this book as I've never read anything written by

Mina Carter ("Carter"). **Perfect matem meaning** After reading "Perfect Mate" and thoroughly enjoying it I can tell you that she's got a new fan, **Perfect mate clo** Unlike the familiar themes associated with paranormal novels Carter pulls in paranormal elements (lycans vampires and zombies) creating something a little off the beaten path, **Perfect match booknode** In doing so she successfully keeps the reader engaged and intrigued by the story. **Perfect mates sweets** The "project" consists of injecting test subjects with one of three strains of virus turning them into lycan vampire or zombie: **Pdf perfect mate download** Once turned more experiments are conducted all the while making sure the test subjects never leave the premises - ever: **Perfect mate book** The only way out is with a bullet to the back of the head, **Perfect materia medica of mind** What I really like about this novel is the way Carter utilizes the other men in the platoon not centralizing only on Jack and Lillian. **Perfect match book** This also includes Antonio whom I find to be a very intriguing and complex individual: **Perfect matte powder foundation** Her directive is to find and destroy the lycans using soldiers and zombies (I know. **Perfect match book** Why 4 stars not 5? Others may disagree after reading this book but I felt there was a little lull in the buildup of the battle between the lycans vampires and zombies: **Perfect mate 2020** In less than 36 hours of meeting Jack and Lillian profess their love for one another. **Perfect match winner prize** However this quick declaration of love taints my enjoyment of the story: **Science fiction perfect mate free pdf** I've got nothing against the protagonists saying "I love you" but let's at least make it seem more realistic. **Science Fiction Perfect maternity** Otherwise this is a novel that should be read by all paranormal lovers. **Perfect Mate ebooks online** 9781609288679 There are two stories in this really really short read, **Perfect Mate booklet** I say short because I think each story line should have had its own but the author put them together because neither story was long enough for the publisher in my opinion, **Perfect matet the guardian** The main story line? Pretty much cookie cutter style with the male and female coming together falling in instant love etc: **Perfect man for me quiz** The second story line should have been the main one for me, **Matteo o mateo** Even tho I liked the secondary story I will not be reading anything from this author anytime soon, **Paranormal Perfect mater dei** Lillian Rosewood leads an ordinary boring life working as the manager of a psychiatric hospital, **Perfect mate meaning** The highlights of her day other than her skinny hot chocolate are the hunky guards who work in the secure section, **Perfect mate qualities** Despite the fact they're not an emergency room Lillian can't turn him away and risk a death on her hands. **Science fiction perfect mate book** Unable to get the handsome soldier out of her mind Lillian sneaks into the restricted area to check on him: **Perfect use in sentence** Somehow Jack has managed to heal himself from a near-fatal wound in mere hours, **Perfect Mate kindle** When one of the doctors Walker attempts to rape her things go from bad to worse, **Perfect materia medica of mind** In the blink of an eye Jack is loose and Walker is dead, **Perfect Mate booklet** and Lillian must accept a truth about her rescuer that will change her world forever. **Perfect mate cast** What if the patients aren't insane? What if their stories of secret government experiments and monsters are true? Perfect Mate (Project Rebellion #1) R A T I N G: 3, **Perfect matt sigma** What Carter is amazing at is always pumping her books with action: **Perfect matey definition** To me it seemed like there were no chemistry between Jack & Lillian and one thing I really don't like is when there is added extra POV's into the stories: **Perfect mate ebook pdf** But anymore than 2 POV and i am struggling to like it. **Perfect makeup products list** Then give me all the characters! We not only got Jack & Lillian's POV but also Jacks second in command Darce AND a female vampire named Antonia. **Perfect match winner prize** I'm actually a bit disappointed because there was so much potential here, **Perfect Mate booklet** Unfortunately it falls into some well-trodden tropes that a 'mean' editor or beta reader should have red-lined: **Perfect maintenance cleaning** I mean really evil secret government military experiments? This is a romance, **Perfect matet the guardian** Terrific but for all that is holy! stop with the repetitive 'oh he's hawt' 'oh he's so sexy what a fine ass' 'wow what an ass'. **Pdf perfect mate download** I got it the first time now would your TSTL ass of a heroine just STFU and go kill some zombies? The heroine, **EBook Perfect maternity** She just does some really stupid things including a really TSTL moment when she goes off to 'check' a hallway

WHILE THEY ARE FIGHTING ZOMBIES and doesn't tell the hero, **Perfect matches season 7** Guess what she finds in the hallway? Apparently she's never watched a horror movie in her life either, **Perfect maintenance cleaning** Oh and let us not forget the 'sniff sniff you're my wolf-mate' trope: **Perfect match book** 9781609288679 A book that includes zombies lycans and vampires all together. **Perfect mate clo** The scene where soldiers are transformed into zombies made my stomach ache: **Kindle Perfect mater dei** And the most interesting fact about this book is that although it is so dark and violent it is actually a paranormal romance, **Perfect Mate booklet** 9781609288679 This book is a very interesting turn on the myths we think we know: **Perfect match book** Loads of story building characters and fleshing out a fairly detailed plot. **Perfect mat for abs workout** Never fear there is at least one hawt bedroom scene but it is more than 75% through the book: **Perfect matem mod apk** This is a mixed narrative mainly between four characters giving very different points of view: **Perfect matt sigma** Most of the time we have Lily and Jack the leads in this book. **Perfect mate cast** They have a great dynamic and I love seeing that sweet Lily has a real backbone! The rest of the time we have Darce and Antonia giving their thoughts, **Perfect materia medica of mind** Antonia is a great character and you really see more of what is happening in the facility through her eyes, **Perfect matte powder foundation** I have to say in the book the ladies owned it! They were seriously kickbutt! I love Lily's sassy snarky comments. **Perfect matte powder foundation** She infuses the words with emotion and adds depth to the story, **Perfect match book series** I enjoyed her tone on the men's voices appreciating that she doesn't take it too far: **Kindle Perfect mater dei** I am beyond thrilled to see this author stepping into audio!! I can not wait for all her books to be released!! I will have some seriously happy ears. **Perfect mat for abs workout** *** If you found this review at all helpful please take a moment to let me know, **Perfect matte powder foundation** I listen at double speed all my impressions of the narration are from that setting: **Perfect mate parents guide** Thanks for taking the time to read my review! Mina Carter is a New York Times USA Today bestselling author of romance in many genres, **Perfect mate tng** She lives in the UK with her husband daughter a puppy who pays no attention to her whatsoever and a bossy cat. Cheating? No. HEA? YES. Any Descriptive Sex w/OW/OM/Ex? No. I liked the many POVs that was interesting. Also great secondary characters. DNF 9781609288679 Lycanthropes Vampires and Zombies. In the midst of their fight to leave Jack grabs Dr. Lillian Rosewood whom Jacks claims as his mate. She was once a soldier but is now a vampire. Sounds odd). There's more to Antonio than meets the eye. All of this is what make the story even more enjoyable. I understand these stories are works of fiction. I look forward to the next book in the series. Vanilla sex scenes were okay. 9781609288679 Monsters do exist. and they're the good guys. Until a late-night emergency is wheeled in. Captain Jack Harper is insane drop-dead gorgeous. and just had his abdomen shredded. What she finds is beyond belief. This was no exception. What completely bummed me out was her characters. They felt flat and immature. I got ZERO alpha vibes. Zero! It was so sad really. It's a personal preference I know. EXCEPT books like Sarah J Mass or Brandon Sanderson. I was just not into it. Dark and scary and kicking assery awesome. Yeah the more I read of her the less I liked her. And it's lazy writing. And it totally disempowers the heroine. Military experiments not ethical that went wrong. Lots of action violence dark scenes. Mix genetic altering with Werewolves Vampires and Zombies. This is more geared towards the Urban Fantasy

crowd. I enjoyed all the intrigue and suspense. I love her energy throughout the read. I hope she stays with the series. I love reading and sharing my opinions with other readers. [eargasmsaudiobookreviews..](#)
