Sherry A. Sherry A. She has a caring heart and is always taking in strays. She grew up with a mom who idolizes Elvis. Meet Jack Parker: the Elvis impersonator. Jack constantly has ladies throwing themselves at his feet. While fun at first Jack wants more. In doing so he took to living in his car. Burton I love this book. This is about romance with a few extras thrown in. I caught myself even laughing out loud at times. I would love to see more romance like this. I think love and even humor are great together. Great Writing. I hope to see more books like this. Great writing and kudos to Author Sherry A. Burton. Sherry A. Burton.
