In 2018 Micky completed his first original sci fi novel Ridgerunners and co wrote the graphic novel The Invisible Empire: Madge Oberholtzer And The Unmasking Of The KKK as well as the illustrated novel Strange Highways, This is a great story on how the Draenei got their first shaman. It is a sad tale of heartache and despair for the Draenei. It seems to me that the affected got it from whatever that red mist was in Shattrath, It never really tells you what the mist does other than it chokes the person and they pass out: 31 Unbroken is a story by Micky Neilson featured on the official site (<https://worldofwarcraft:>) about how Vindicator Nobundo survived the fall of Shattrath City and learned the ways of the shaman to become Farseer Nobundo: UnbrokenA great short but touching story about the first Draenei shaman Nobundo: 99 so it still would have been nice for them to release it for free as they have with some comics: i guess spoilers from here on out: reading about the fight of Shattrath was very interesting to read from the viewpoint of Nobundo who was once a vindicator. seeing him lose his connection with the Light really made my heart go out to him, as a shaman main myself i enjoyed reading about shamanism from the krokul perspicitve and seeing the Draenei's shamanistic beginnings. 31 Oof.

Very enjoyable read and is very short being only 5 pages on the Blizz website, would be really nice if Blizz would put it up on Amazon for free on Kindle like they have with some of their other things: after reading the whole thing i feel i need a break as it was so tough to read from the website, whilst it is available in the 'World of Warcraft: Paragons' ebook on Kindle all those women, As one of the first writers at Blizzard Entertainment he has than two decades of experience in the cutting edge of the gaming industry: He has self published three horror novels in his original series The Turning on .
