

The Business of Benevolence: Industrial Paternalism in Progressive America By Andrea Tone

The Business of Benevolence ebook

In the early twentieth century an era characterized by unprecedented industrial strife and violence thousands of employers across the United States pioneered a new policy of labor relations called welfare work. **What is a benevolent organization** The results of the policy were paternalistic practices and forms of compensation designed not only to control workers but also to advertise the humanity of corporate capitalism to thwart the advance of legislated reform. **The Business of Benevolence epub reader** welfare state Andrea Tone offers a new interpretation of the importance of welfare capitalism in shaping its development: **EBook The Business of benevolence meaning** The Business of Benevolence: Industrial Paternalism in Progressive America.

. In a burgeoning literature on the development of the U.S
