

The Initiate in the Dark Cycle (Volume 3) By Cyril Scott

The Initiate in the Dark cycleyou

The third volume in the series takes up where *The Initiate* and *The Initiate in the New World* leave off providing more insights into the mysterious Adept known as Justin Moreward Haig. **The Initiate in the Dark cyclepoint** But when Justin Moreward Haid reappears we learn that the dark cycle really indicates a period of destruction and war when Planetary Logos is throwing off and transmuting poisons that create disturbances in the collective astral or emotional body of the human race: **The Initiate in the Dark cyclevin report** At first we think that the dark cycle relates to the group of students left to their own devices when Justin Moreward Haid disappears for a time. **Book The Initiate in the Dark cycleops** The students meet with the astrologer David Anrias and become aware of the concepts taught by Krishnamurti and the theosophists. **The Initiate in the Dark cycleum** In this volume we learn how the group develops how they relate to their missing teacher and how they continue their search for spiritual understanding: **Book The Initiate in the Dark cycle world** *The Initiate in the Dark Cycle (Volume 3)* This sequel was the end of greatness. i was not impressed. Should have stopped at sequel #2. 9780877283621.
